A LICK OF FROST – LAURELL K. HAMILTON BOOK #6 \$43.95 HARDCOVER

Start this series with Book #1 Kiss of Shadows. Faerie princess Meredith Gentry has left the relative safety of the Unseelie court for the mortal world of Los Angeles, where she will continue in her quest to gain the throne by becoming pregnant. Merry's uncle, king of the Seelie Court, makes a ham-handed attempt to hurt her through her lovers: accused of rape, they're in the midst of discussions with the district attorney's office when her uncle shows his true colours and grievously injures Doyle and Rhys in a fit of madness.

CAINE'S RECKONING – SARAH McCARTY BOOK #1 \$29.95 TRADE PAPERBACK

In this first book of a steamy new series of erotic Westerns, eight young friends are orphaned by a massacre. Over the years, the men of Hells Eight ride together, fight together, and are sought by the Texas Rangers. The men of Hells Eight are wild, untamed, and fascinating--and they are all about to meet their matches.

NAUTI NIGHTS – LORA LEIGH BOOK #2 \$29.95 TRADE PAPERBACK

Book #1 Nauti Boy. James "Dawg" Mackey has lusted after sweet Crista Jansen for years. Just as many as she's spent running from him. But now for Crista, running isn't an option anymore because Dawg's got a plan. It's kind of low-down. And kind of hot. Blackmail is a dirty word, but Dawg will use it if that's what it takes to get Crista where he wants her. His hungers are too hard and fierce not to. He doesn't

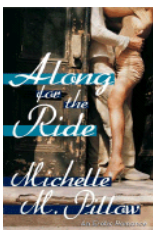

realize that Crista has a longing too.

WICKED DEEDS ON A WINTER'S NIGHT – KRESLEY COLE BOOK #4 \$16.95

Start this series with Book #1 in the Anthology Playing Easy To Get. Bowen MacRieve of the Lykæ clan was nearly destroyed when he lost the one woman meant for him. The ruthless warrior grew even colder, never taking another to his bed -- until a smouldering encounter with his enemy, Mariketa the Awaited, reawakens his darkest

desires. When sinister forces unite against her, the Highlander finds himself using all his strength and skill to keep her alive. Temporarily stripped of her powers, Mari is forced to take refuge with her sworn adversary. It's rumoured that no one can tempt Bowen's hardened heart, but soon passion burns between them. Though a future together is impossible, she fears he has no intention of letting her go.

ALONG FOR THE RIDE – MICHELLE M. PILLOW BOOK #2 \$29.95 TRADE PAPERBACK

Book #1 Bit by the Bug. Meet Megan Matthews, a detective who is cursed with always being right. Her instincts are good, her deductive reasoning even better. Because of that most men find her intimidating, so she's given up trying to find Mr. Right and has settled, perversely, for arresting Mr. Wrong. Crime scene photographer Ryan Andrews has had a wicked crush on the sexy detective since he first took her photograph by accident at a crime scene. That picture became headline news, and she hasn't talked to him since. He's tried everything to get her attention, and when nothing works he's left with only one option. But is blackmailing a cop into marriage really a good idea?

HOWL AT THE MOON – CHRISTINE WARREN BOOK #4 \$16.95

Start this series with Book #1 Wolf At The Door. Werewolf Samantha Carstairs has two problems; the first involves her friend Dr. Annie Cryer and some secret research. The second involves Sam's hormones and a sexy human named Noah Baker, who is recruiting for the army amongst the werewolf Others. Against her better judgment, Sam has agreed to keep Annie's concerns from their alpha werewolf for a few more days. Meanwhile, Noah is discovering that his latest mission is beginning to smell bad. He dislikes deceiving his friends and fears this mission will screw up any chance of a relationship with Sam. Dark forces are at work, and keeping everything straight is problematic, but with Sam on the line, Noah will do whatever is necessary.
