STILL – MATT NABLE
\$19.99 *REPACK*

Darwin, Summer, 1963. The humidity sat heavy and thick over the town as Senior Constable Ned Potter looked down at a body that had been dragged from the shallow marshland. He didn't need a coroner to tell him this was a bad death. He didn't know then that this was only the first. Or that he was about to risk everything looking for answers. Late one night, Charlotte Clark drove the long way home, thinking about how stuck she felt, a 23-year-old housewife, married to a cowboy who wasn't who she thought he was. The days ahead felt suffocating, living in a town where she was supposed to keep herself nice and wait for her husband to get home from the pub. Charlotte stopped the car, stepped out to breathe in the night air and looked out over the water to the tangled mangroves. She never heard a sound before the hand was around her mouth. Both Charlotte and Ned are about to learn that the world they live in is full of secrets and that it takes courage to fight for what is right. But there are people who will do anything to protect themselves and sometimes courage is not enough to keep you safe.

I AM REALLY LOOKING FORWARD TO THIS PUBLISHED AFTER RACHEL'S PASSING SAYS ROSEMARY.

TRAPPER ROAD – RACHEL CAINE/CARRIE RYAN
BOOK #6 \$40.00 TRADE P/BACK

Start with Stillhouse Lake. Gwen Proctor has always been willing to do anything it takes to protect her kids. But there are some things even she can't protect them from. When a violent incident at Connor's school brings the press to Gwen's doorstep, she agrees to take a case out of town hoping to keep her family out of the crushing media spotlight. The case is that of a missing girl, last seen getting into a truck with a stranger before disappearing. Gwen has a reputation for finding those who are lost, but this time something is wrong. Her instincts are off, and every clue she uncovers only raises more doubts, not just about the missing girl and the circumstances of her disappearance, but also about the fragile safety Gwen's created for her family. The closer she comes to uncovering the truth, the more she unwittingly puts those she loves at risk. Someone from Gwen's past doesn't appreciate the new life she's built for herself and is willing to do anything it takes to tear it apart. Except this time it isn't Gwen in the crosshairs, but her partner Sam. Without her instincts to rely on, how can Gwen protect those she loves against an enemy she never sees coming?

Actress Brynn Pearson is trying to transition from child star to leading lady. Now that she's landed her first lead in a major film, nothing can stop her. He's gorgeous, and something about him makes her feel safe. As Brynn's feelings for Major deepen, she starts to wonder if maybe there's more to life than her career. When a family crisis throws Major's life into a tailspin, he turns to Brynn for support, and hopes their budding relationship will shine brighter than Hollywood lights.

And the note: Bad Mommy, written in crayon as if by a child. Eve Dallas turns to the department's top profiler, who confirms what seems obvious to Eve: They're dealing with a killer whose childhood involved some sort of trauma-a situation Eve is all too familiar with. Yet the clues suggest a perpetrator who'd be roughly sixty years old, and there are no records of old crimes with a similar MO. What was the trigger that apparently reopened such an old wound and sent someone over the edge? When Eve discovers that other young women-who physically resemble the first victim-have vanished, the clock starts ticking louder. But to solve this case she will need to find her way into the distant past, and into the cold depths of a shattered mind.

She's been surviving on determination and cold pizza, scavenged for her by a special dust bunny, when help finally shows up. Gabriel Jones is the Ghost Hunter sent to rescue her, but escaping the underground ruins is only the beginning of her troubles. With no rational reason for her abduction, and her sole witness gone on another assignment for the Guild, whispers start circulating that Lucy made it up. Soon her life unravels until she has nothing left but her pride. The last thing she expects is for Gabriel Jones to come back to town for her. The Lucy that Gabriel finds is not the same woman he rescued, instead of awe, she treats him with caution. But a killer is still hunting her. Despite her wariness, Gabriel is also the one person who believes Lucy-after all, he was there. He's determined to help clear her reputation, no matter what it takes. And as the new Guild Boss, his word is law, even in the lawlessness of Illusion Town.

As if that didn't suck enough, her screw-up on a dangerous fact-finding mission may have kicked her sexual tension with the wolf shifter in the balls. At least she's not obsessing over it, since fighting through a maze of mind games, tested loyalties, and secrets is consuming all her energy. So, glass half-full. Now armed with her trusty to-do list, she's determined to multitask her way to victory like a magic badass. Yaas, Queen.

BOOK 15 \$25.95 *REPACK*

Start with Rosemary and Rue. It's hard to be a hero. That includes the desire to marry her long-time suitor and current fiancé, Tybalt, San Francisco's King of Cats. She doesn't mean to keep delaying

the wedding, it just sort of...happens. And that's why her closest friends have taken the choice out of her hands, ambushing her with a court wedding at the High Court in Toronto. Once the High King gets involved, there's not much even Toby can do to delay things, except for getting involved in stopping a plot to overthrow the High Throne itself, destabilizing the Westlands entirely, and keeping her from getting married through nothing more than the sheer volume of chaos it would cause. Can Toby save the Westlands and make it to her own wedding on time? Or is she going to have to choose one over the other? **Includes an all-new bonus novella!**
