RIDE THE HIGH LONESOME

A WICKED KIND OF HUSBAND – MIA VINCY

Cassandra DeWitt has seen her husband only once on their wedding day two years earlier—and this arrangement suits her perfectly. She has no interest in the rude man she married only to secure her inheritance. She certainly has no interest in his ban on her going to London. He'll never even know she is there. Until he shows up in London too, and Cassandra finds herself sharing a house with the most infuriating man in England. Joshua DeWitt has his life exactly how he wants it. He has no need of a wife disrupting everything. He certainly has no need of a wife who is intolerably amiable, insufferably reasonable and irresistibly kissable. As the unlikely couple team up to battle a malicious lawsuit and launch Cassandra's wayward sister, passion flares between them.

THE PRINCESS PLAN – JULIA LONDON

Nothing gets the tongues of London's high society wagging like a good scandal. And when the personal secretary of the visiting Prince Sebastian of Alucia is found murdered, it's all anyone can talk about, including Eliza Tricklebank. Her unapologetic gossip gazette has benefited from an anonymous tip about the crime, prompting Sebastian to take an interest in playing detective—and an even greater interest in Eliza. With a trade deal on the line and mounting pressure to secure a noble bride, there's nothing more salacious than a prince dallying with a commoner. Sebastian finds Eliza's contrary manner as frustrating as her seductiveness but they'll have to work together if they're going to catch the culprit. And when things heat up behind closed doors, it's the prince who'll have to decide what comes first—his country or his heart.

BOUND FOR GLORY – TESS LESUE

Start with Bound For Eden. Nathaniel has many names. They say he moves silently through the night and anticipates to kill. Those outlaws should have made him aware. Accompanied by her beloved animals, Sarah Delacourt is in refurbishing the estate where Sarah takes refuge. Its rightful owner, the Duke of Meridian, has been absent from the scene. Sarah knows herself sharing a house with the most infuriating man in England. Joshua DeWitt has his life exactly how he wants it. He has no need of a wife disrupting everything. He certainly has no need of a wife who is intolerably amiable, insufferably reasonable and irresistibly kissable. As the unlikely couple team up to battle a malicious lawsuit and launch Cassandra's wayward sister, passion flares between them.

LADY TAKES THE CASE – ELIZA CASEY

England 1912. Danby Hall is the only home Lady Cecilia Bates has ever known. Despite the rigid rules of etiquette and her mother the Countess of Avewater's fervent desire to see her married off, Lady Cecilia can't imagine life anywhere else. But now, with an agricultural depression sweeping the countryside, the Bates family's possession of the hall is suddenly in peril. A possible solution arrives in the form of the imperious American heiress Annabel Clarke. The Earl and Countess of Avewater are determined that Cecilia's brother, Patrick, will win Annabel's hand in marriage—and her fortune along with it. To help the lackluster Patrick in this pursuit, the Bates and their staff arrange a grand house party upon the heiress's arrival. When a guest dies after sipping from a glass meant for Annabel's, it's clear the Bates have a more poisonous problem on their hands than a lack of chemistry. As the scandal sweeps Danby, Cecilia sets out to find the culprit, with help from Annabel's maid, Jane, and Jane's curiously intelligent cat, Jack. After the poison that someone had stashed away inside the manor is discovered, Cecilia is left with two possibilities: Either a resident of Danby snapped and tried to kill the arrogant heiress, or the threat is coming from one of their guests, who would love to see the Bates family's decline become permanent.

THE ALCHEMIST OF LOST SOULS – MARY LAWRENCE

Start with The Alchemist's Daughter. Spring 1544. Cecilia is left with two possibilities: Either a resident of Danby snapped and tried to kill the arrogant heiress, or the threat is coming from one of their guests, who would love to see the Bates family's decline become permanent.

She waits until the outlaws are gone, desperate enough to claim the dead man's horse to make her escape only to realize he's not dead at all. Those outlaws should have made Cassie aware of Luke Bowden was good and gone. Now he vows he'll have his revenge no matter the cost. But they're miles away from the nearest town, and the woman who saved his hide won't survive the ride back. He owes her his life—he owes her everything—and it doesn't take long before he's faced with a terrible choice: stand by Kate or claim his revenge?
