ENCHANTMENT OF A HIGHLANDER
BOOK #3 $29.95 TRADE P/BACK

Alec MacLean returns home after a decade to find his recently deceased father has left his inheritance fall to ruin. As the new laird, it’s Alec’s responsibility to rebuild the castle and restore the lands. He must also regain the people’s trust after having abandoned them so long ago, a feat not easily done when he fears he’s plagued with the same darkness as his father. Celia escaped the North Berwick witch trials at a young age, surviving because of the sacrifice of her beloved caretaker. She’s made a life for herself in the wilds of Scotland where no laird rules, a life where she heals for coin, a life without love so she can never feel the hurt of loss again. When the new laird comes back to claim his land, his determination to restore order threatens everything Celia has worked so hard to gain, especially with the undeniable attraction simmering between them. Together, they will face all challenges, from the tangle of their own damaged pasts to the fire-fueled witch hunts sweeping the Isle of Mull. Together, they will find that the best way to overcome darkness and war is through the undeniable light of love.
