THE GAMES LOVERS PLAY – STEPHANIE LAURENS

BOOK #9 \$35.00 TRADE P/BACK

Start with By Winters Light. A nobleman wedded to the lady he loves strives to overwrite five years of masterful pretence and open his wife's eyes to the fact that he loves her as much as she loves him. Lord Devlin Cader, Earl of Alverton, married Therese Cynster five years ago. What he didn't tell her then and hidden ever since-for what seemed excellent reasons at the time-is that he loves her every bit as much as she loves him. For her own misguided reasons, Therese had decided that the adage that Cynsters always marry for love did not necessarily mean said Cynsters were loved in return. She accepted that was usually so, but being universally viewed by gentlemen as too managing, bossy, and opinionated, she believed she would never be loved for herself. Consequently, after falling irrevocably in love with Devlin, when he made it plain he didn't love her yet wanted her to wife, she accepted the half love-match he offered, and once they were wed, set about organizing to make their marriage the very best it could be. Now, five years later, they are an established couple within the ton, have three children, and Devlin is making a name for himself in business and political circles. There's only one problem. Having attended numerous Cynster weddings and family gatherings and spent time with Therese's increasingly married cousins, who with their spouses all embrace the Cynster ideal of marriage based on mutually acknowledged love, Devlin is no longer content with the half love-match he himself engineered. No fool, he sees and comprehends what the craven act of denying his love is costing both him and Therese and feels compelled to rectify his fault. He wants for them what all Therese's married cousins enjoy-the benefits of marriages based on acknowledged mutual love. Love, he's discovered, is too powerful a force to deny, leaving him wrestling with the conundrum of finding a way to convincingly reveal to Therese that he loves her without wrecking everything-especially the mutual trust-they've built over the past five years.

DANCING WITH DANGER – KERRIGAN BYRNE

BOOK #3 \$24.95

Book #1 Seducing A Stranger, Book #2 Courting Trouble, Book #2.5 The Earl Of Christmas Past. Mercy Goode is only truly good at one thing: finding mischief wherever she

goes. Such as getting arrested at a murder scene with Raphael Sauvageau, a brutally handsome, ruthless smuggler with a dangerous past and a dubious future. The silver-tongued devil doesn't deserve a lick of her confidence, but she has evidence that he's not the killer. She can't deny that he's relentlessly wicked. Raphael has no time for obsession. He's an empire to run, a murder to avenge, and a plan to save his brother that is likely a suicide mission. But this clever, infuriating bluestocking--who insists she's an amateur sleuth--keeps showing up where she doesn't belong. And for some bloody reason they can't seem to be in the same room without him yanking her into his arms and kissing her until they're both breathless. Power, prestige, and a staggering fortune hasn't filled the abysmal void where Raphael's heart should be. Perhaps what he needs is a night with her. Perhaps what he needs is redemption. Perhaps what he needs is a bit of Mercy.

THE BRIDE BET – TESSA DARE

BOOK #4 \$19.95

POSTPONED TO 2022

Start with The Duchess Deal. Once upon a time, two sworn enemies--the bookish daughter of a scholar and the devilish heir to a duke--made a pact: If they were both still single in ten years, they would marry each other. It was a joke, Nicola thought. A duchess? Her? But when the Duke of Westleigh returns a decade later, he's serious. He needs an heir, so he's holding her to their marriage bargain--diamond ring, lavish gown, engagement ball, and more. Nothing Nicola says can dissuade him. When she calls him arrogant, he praises her honesty. When she makes social stumbles, he catches her fall. And when she gets exasperated, the duke can't seem to get enough. For reasons she can't fathom, he claims that no other woman will do. He's betting he can change her mind, with logic and passion. She's betting she can change his mind, just by being herself. And as the clock ticks down to a wedding day, neither is counting on losing their heart.

Start with Born to Run. When Staci was first shunted off to the backwater town of Silence to live with her alcoholic mother, she thought her life was over. Silence had none of the amenities a typical teen in the twenty-first century considered essential: no cell service and barely any internet connectivity. But Staci soon learned that Silence was more than a town left behind by progress. The first family of Silence, the Blackthorns, liked the town that way. The Blackthorns were dark elves who fed off the misery of the residents of Silence. But now, all that's changing for the better. With the help of Staci and her friends, the Blackthorns have been all but defeated. Industry is returning to Silence, and Staci's mom is improving. There's even a cute new busboy at the diner. But evil dies hard. And Staci, now a mage-in-training, senses that the Blackthorns have not yet given up. The soul of Silence is on the line, and it is up to Staci and her friends to fight back against the encroaching darkness.

DEAD THINGS BOOK #1 \$19.95

Necromancer is such an ugly word, but it's a title Eric Carter is stuck with. He sees ghosts, talks to the dead. He's turned it into a lucrative career putting troublesome spirits to rest, sometimes taking on even more dangerous things. For a fee, of course. When he left LA fifteen years ago, he thought he'd never go back. Too many bad memories. Too many people trying to kill him. But now his sister's been brutally murdered and Carter wants to find out why. Was it the gangster looking to settle a score? The ghost of a mage he killed the night he left town? Maybe it's the patron saint of violent death herself, Santa Muerte, who's taken an unusually keen interest in him. Carter's going to find out who did it, and he's going to make them pay. As long as they don't kill him first.

BROKEN SOULS BOOK #2 \$19.95

Sister murdered, best friend dead, married to the patron saint of death, Santa Muerte. Necromancer Eric Carter's return to Los Angeles hasn't gone well, and it's about to get even worse. His link to the Aztec death goddess is changing his powers, changing him, and he's not sure how far it will go. He's starting to question his own sanity, wonder if he's losing his mind. No mean feat for a guy who talks to the dead on a regular basis. While searching for a way to break Santa Muerte's hold over him, Carter finds himself the target of a psychopath who can steal anyone's form, powers, and memories. Identity theft is one thing, but this guy does it by killing his victims and wearing their skins like a suit. He can be anyone. He can be anywhere. Now Carter has to change the game -- go from hunted to hunter. All he has for help is a Skid Row *bruja* and a ghost who's either his dead friend Alex or the manifestation of Carter's own guilt-fueled psychotic break. Everything is trying to kill him. Nothing is as it seems. If all his plans go perfectly, he might survive the week. He's hoping that's a good thing.

THE MONSTER MASH—ANGIE FOX BOOK #1 \$35.00 TRADE P/BACK

The day I was drafted into the army of the gods, all I knew about being a MASH surgeon was what I'd learned from Hawkeye Pierce and Hot Lips Houlihan. Now here I am, Dr. Petra Robichaud, in the middle of an immortal war, assigned to a MASH camp with a nosy sphinx, a vegetarian werewolf, and an uptight vampire who really needs to get a life. At least they're all too busy with their own dramas to discover my secret: I can see the dead. It's a forbidden gift, *one that can get me killed*, so I haven't told a soul. Until the arrestingly intense Galen arrives on my operating table, half-dead and totally to-die-for. When his spirit tries to slip out of his fatally wounded body, I impulsively slip it back in. Call it a rash resurrection. One I'll live to regret. Now Commander Galen of Delphi knows my secret, and he's convinced I'm part of an ancient prophecy—one that can end the war for good. But taking a chance could cost me everything. And it would be easier to convince him to leave me alone, except now the prophecies are starting to come true...
