**END OF STORY \$22.99 TRADE P/BACK**

New York Times bestselling sensation Kylie Scott's sexy, smart and unconventional opposites-attract love story looks at what happens when fate refuses to give up on what's meant to be. When Susie Bowen inherits a charming fixer-upper from her aunt, she's excited to start living her best HGTV life. But when she opens the door to find that her contractor is none other than her ex's best friend, Lars--the same man who witnessed their humiliating public breakup six months ago--she isn't exactly eager to have anyone around whose alliance is with the enemy. But beggars can't be choosers, and the sooner the repairs are done, the sooner she can get back to embracing singledom. Things go from awkward to unbelievable when Lars discovers a divorce certificate hidden in a wall and dated ten years in the future--with both their names on it. It couldn't possibly be real...could it? As Susie and Lars work to unravel the document's origins, the impossibility of a spark between them suddenly doesn't seem so far-fetched. But would a relationship between them be doomed before it's even begun?

**BREAKING ALL THE RULES – AMY ANDREWS**  
**\$35.00 TRADE P/BACK**

TOP PICK

Beatrice Archer has always done everything she's supposed to -- worked her ass off, ignored her non-existent personal life, and kept her mouth shut. Now she's over it. The rat race, respectability...the underwire bras. She's taking her life back. Starting with moving to Nowhere, Colorado to live life on her own terms. Now Bea gives exactly zero forks. Beer for breakfast. Sugar for everything else. Baggy sweats and soft cotton undies FTW. Then a much younger and delightfully attractive cop is called to deal with her flagrant disregard for appropriate clothing outside the local diner (some folks just don't appreciate bunny slippers) and Bea realizes there's something missing from her little decathlon of decadence...and he might be the guy to help her out. When it comes to breaking rules, Officer Austin Cooper is surprisingly eager to assist. He's charming, a little bit cowboy, and a whole lot sexy. But Bea's about to discover that breaking the rules has consequences. And all of the cherry pies in Colorado can't save her from what's coming.

**THE DEVINE DOUGHNUT SHOP – CAROLYN BROWN**  
**\$35.00 TRADE P/BACK**

TOP PICK

For Grace Dalton, her sister, Sarah, and her cousin Macy, the Devine Doughnut Shop is a sweet family legacy and a landmark in their Texas town. As the fourth generation to run the Double D, they keep their great-grandmother's recipe secret and uphold the shop's tradition as a coffee klatch for sharing local gossip, advice, and woes. But drama brews behind the counter, too. Grace is a single mother struggling with an unruly teenage daughter. Heartbroken Sarah has sworn off love. Macy's impending wedding has an unexpected hitch. And now charming developer Travis Butler has arrived in Devine with a checkbook and a handsome smile. He wants to buy the shop, expand it nationally, and boost the economy of a town divided by the prospect. With the family's relationships in flux, their beloved heritage up for grabs, and their future in the air, it's amazing what determination, sass, a promise of romance, and a warm maple doughnut can do to change hearts and minds.

**WHEN STARS COLLIDE – SUSAN ELIZABETH PHILLIPS**  
**BOOK #9 \$27.95 \*REPACK\***

TOP PICK

Start with It Had to be You. Thaddeus Walker Bowman Owens, the backup quarterback for the Chicago Stars, is a team player, talented sideline coach, occasional male model, and a man with a low tolerance for Divas. Olivia Shore, international opera superstar, is a driven diva with a passion for perfection, a craving for justice, too many secrets-and a monumental grudge against the egotistical, lowbrow jock she's been stuck with. It's Mozart meets Monday Night Football as the temperamental soprano and stubborn jock embark on a nationwide tour promoting a luxury watch brand. Along the way, the combatants will engage in soul-searching and trash talk, backstage drama and, for sure, a quarterback pass. But they'll also face trouble as threatening letters, haunting photographs, and a series of dangerous encounters complicate their lives. Is it the work of an overzealous fan or something more sinister?

**THE MAGNOLIA SISTERS – ALYS MURRAY**  
**BOOK #1 \$25.95**

No amount of money could make up for the destruction it would wreak on next season's crop. The sooner Luke Martin is on his way, the better. But Luke will do whatever it takes to make his sister happy. So when Harper's newest farmhand leaves her in the lurch, he strikes a deal: He'll work on the farm for free if she'll give him the chance to change her mind. Harper and Luke each expect the other to crack first. What they don't expect is the chemistry that sparks between them as they work side by side. But just as Harper is starting to let her guard down, Luke stumbles upon a secret that could spell disaster for the entire Anderson clan. With her family's happiness at stake, can Harper put her trust in a man who is worlds apart from everything she knows?

After multiple tours in Afghanistan, Anderson has changed, too-physically scarred but mentally strong-and he decides to move back to Woodland Park. Anderson and Chelsea steer clear of each other to avoid reopening old wounds, until they are forced to reconnect through the senior center. But nearly upon arrival in the winter wonderland of Lunwyn, she realizes she's been played by her twin of the alternate universe and shortly finds herself walking down the aisle to be wed to The Drakkar. Instantly thrown into inauspicious circumstances, with years of practice (she did, of course, survive that elephant stampede), Finnie bests the challenges and digs into her adventure. But as Frey Drakkar discovers the woman who is his new wife is not Princess Sjöfn, a woman he dislikes (intensely), but instead his Finnie, a free spirit with a thirst for venture just like him (not to mention, she's his destiny), without her knowledge he orders his new bride bound to his frozen world...everlasting.

# **THREADNEEDLE – CARI THOMAS** **BOOK #1 \$35.00 TRADE P/BACK**

Anna's Aunt has always warned her of the dangers of magic. Its twists. Its knots. Its deadly consequences. Now Anna counts down the days to the ceremony that will bind her magic forever. Until she meets Effie and Attis. They open her eyes to a London she never knew existed. A shop that sells memories. A secret library where the librarian feeds off words. A club where revellers lose themselves in a haze of spells. But as she is swept deeper into this world, Anna begins to wonder if her Aunt was right all along. Is her magic a gift or a curse?

# **THE TRAITORS GAME – JENNIFER A NIELSEN** **BOOK #1 \$35.00 TRADE P/BACK**

Kestra Dallisor has spent three years in exile in the Lava Fields, but that won't stop her from being drawn back into her father's palace politics. He's second-in-command to the cruel king, Lord Endrick, which makes Kestra a valuable bargaining chip. A group of rebels knows this -- and they snatch Kestra from her carriage as she reluctantly travels home. The kidnappers want her to retrieve the lost Olden Blade, the only object that can destroy the king, but Kestra is not the obedient captive they expected. One of the rebels, Simon, has his hands full as Kestra tries to foil their plot, by any means necessary. As motives shift and secrets emerge, both have to decide what -- and who -- it is they're fighting for.

# **CALL DOWN THE HAWK – MAGGIE STIEFVATER** **BOOK #1 \$35.00 TRADE P/BACK**

The dreamers walk among us . . . and so do the dreamed. Those who dream cannot stop dreaming - they can only try to control it. Those who are dreamed cannot have their own lives - they will sleep forever if their dreamers die. And then there are those who are drawn to the dreamers. To use them. To trap them. To kill them before their dreams destroy us all. Ronan Lynch is a dreamer. He can pull both curiosities and catastrophes out of his dreams and into his compromised reality. Jordan Hennessy is a thief. The closer she comes to the dream object she is after, the more inextricably she becomes tied to it. Carmen Farooq-Lane is a hunter. Her brother was a dreamer . . . and a killer. She has seen what dreaming can do to a person. And she has seen the damage that dreamers can do. But that is nothing compared to the destruction that is about to be unleashed.

# **WAYWARD MOON – DEVON MONK** **BOOK #2 \$29.95 TRADE P/BACK**

Book #1 Wayward Souls. Lovers Brogan and Lula Gauge have traveled the haunted byways of Route 66 for almost a hundred years. Their deal with the god Cupid has brought Brogan back to life, but the return to the living world hasn't been easy for him. What's more, that deal left them deeply indebted to the god. Now the god is demanding his due. To honor their side of the deal, Brogan and Lula must find what Cupid wants found. The god hasn't given them much to go on other than: find the rabbit that is not a rabbit. Do the right thing. If the right thing involves facing down feuding werewolves, banishing vengeful ghosts, and venturing into the deep, ancient caverns beneath the Missouri hills, then Brogan and Lula might be on the right path. But lurking deep within those caverns is an evil older than the gods. It is clever. It is waiting. It is hungry.

TOP PICK

Start with Fury Unleashed. It's taken Viking hunter Sven Knutson six frustrating months to find her. To track down the angel responsible for compromising the Forgotten Brotherhood and waking the drakon. She may be clever. Resourceful. But no one ever gets away from Sven. All Rivka longed for as an angel was a chance to serve on Earth and help humans. Instead, it all went impossibly, horribly wrong, and she still doesn't understand how or even *why*. All she knows is that she's on the run-not only from Heaven's dangerous elite guard, but also from the Brotherhood, who want answers. She might just have to trust the immortal Viking whose icy blue eyes make her feel almost wickedly human. Because someone wants Rivka dead and the Brotherhood eliminated. Someone powerful enough to take on the most dangerous assassins who have ever lived. Someone who could unleash the fury of both Heaven and Hell and Rivka is the key.

But when a beautiful woman with ambitions of her own gets in his way, he must decide-accept what he cannot change, or eliminate the threat once and for all. Haunted by ghosts, Ferguson McGilvery needs out. Out from under her step-father's thumb. Out of the toxic whirlwind her step-brothers create. Out of the country, far away from the dysfunction that has overtaken her life. When a surprise inheritance sends her to the Scottish Highlands, she clashes with Kruger, a man so infuriating she'll do anything to foil his attempts to make her leave. His ruthlessness is legendary. Her obstinance knows no bounds. Can two stubborn souls go from enemies to lovers...or will the fates finally admit they made a mistake by throwing the pair together?

# **CHAOS SONG – LR BRADEN** **BOOK #6 \$35.00 TRADE P/BACK**

And why now? In the midst of this chaos, she faces Purity protesters, coworkers looking to undermine her every decision, and werewolves who can't stop snapping at each other long enough to prove they're safe to work with. Now is not the time to abandon her fledgling alliance for an off-the-books mission, but if she doesn't... the fragile peace between the Realms may shatter.

# **JINX – PC CAST/KRISTEN CAST** **BOOK #1 & #2 \$35.00 TRADE P/BACK \*REPACK\***

"Spells Trouble". Hunter and Mercy Goode are twin witches, direct descendants of the founder of their town of Goodeville. As their ancestors have done before them, it is now time for the twins to learn what it means to be Gatekeepers--the protectors of the Gates to different underworlds, ancient portals between their world and realms where mythology rules and nightmares come to life. When their mother becomes the first victim in a string of murders, the devastated sisters vow to avenge her death. But it will take more than magic to rein in the ancient mythological monsters who've infected their peaceful town. Now Hunter and Mercy must come together and accept their destiny or risk being separated for good. "Omens Bite" Twin sisters, Mercy and Hunter are witches, descendants of the Goode family of witches. After the murder of their mother at the hands of a foul demon, they have become the protectors of the Gates to different underworlds--ancient portals between their world and realms where mythology rules and the darkest of creatures exist. The problem is that the Goode sisters have split from each other. Grief and anger have torn them apart, driving Mercy to save the cursed Gates on her own and Hunter into the arms of a dangerous goddess. And when Mercy shifts her focus to the Egyptian Gate and Khenti, the guardian of its Underworld, little does she know that her connection to him will land her in the kind of trouble that only Hunter can save her from. When it comes to breaking the curse, Mercy and Hunter's bonds are put to the ultimate test.

**WITCHA GONNA DO – AVERY FLYNN**  
**\$35.00 TRADE P/BACK**

Could it possibly get any worse than having absolutely no magical abilities when you're a member of the most powerful family of witches ever? It used to be that I'd say no, but then I keep getting set up on dates with Gil Connolly, whose hotness is only matched by his ego. Seriously. I can't stand him. Even if I also can't stop thinking about him (specifically kissing him), but we're going to pretend I never told you that part. So yeah, my life isn't the greatest right now, but then it goes straight to the absolute worst hell when I accidentally make my sister's spell glitch and curse my whole family. And the only person who can help nonmagical me break the spell? You guessed it. Gil, the super hot jerk.

**BLOOD AND ASH – DEBORAH WILDE**  
**BOOK #1 \$35.00 TRADE P/BACK**

Detective for hire, Ashira Cohen is having a no-good, very bad day. When Ash was thirteen, her con artist father disappeared, leaving her with emotional scars and a limp she can't hide. But she toughened up, determined never to be played again. Is history repeating itself? First, she's hit on the head during a stakeout, revealing a mysterious tattoo on the back of her skull. Even worse? It's a now-broken ward unleashing dangerous magic that as a Mundane, she shouldn't possess. And the icing on this crap cake? Her unruly powers nearly kill her long-time nemesis, Levi, the uptight leader of the magic community. One word from him revealing her forbidden abilities, and everything she's built will be taken from her... by force. The only bright spot is that Levi requires her supernatural skills to solve a spree of abductions. After years of being underestimated by him, it's Ash's chance at payback and she's going to enjoy bringing him to his knees-or stuffing him in a body bag.

**THE ORPHAN WITCH – PAIGE CRUTCHER**  
**\$35.00 TRADE P/BACK \*REPACK\***

Persephone May has been alone her entire life. Abandoned as an infant and dragged through the foster care system, she wants nothing more than to belong somewhere. To someone. However, Persephone is as strange as she is lonely. Unexplainable things happen when she's around--changes in weather, inanimate objects taking flight--and those who seek to bring her into their family quickly cast her out. To cope, she never gets attached, never makes friends. And she certainly never dates. Working odd jobs and always keeping her suitcases half-packed, Persephone is used to moving around, leaving one town for another when curiosity over her eccentric behavior inevitably draws unwanted attention. After an accidental and very public display of power, Persephone knows it's time to move on once again. It's lucky, then, when she receives an email from the one friend she's managed to keep, inviting her to the elusive Wile Isle. The timing couldn't be more perfect. However, upon arrival, Persephone quickly discovers that Wile is no ordinary island. In fact, it just might hold the very things she's been searching for her entire life. Answers. Family. Home. And some things she did not want. Like 100-year-old curses and an even older family feud. With the clock running out, love might be the magic that saves them all.
