Kaia Luna may have traded in science for being a chef, but she won't hide the facts of Bo's condition from him or herself. She's suffered too much loss in her life to fall prey to the dangerous charm of a human who is a dead man walking. And she carries a devastating secret that Bo could never imagine. But when Kaia is taken by those who mean her deadly harm, all bets are off. Bo will do anything to get her back, even if it means striking a devil's bargain and giving up his mind to the enemy.

Some seek the greatest hunt of all. Some seek the truth. But for the ambitious young scientist Victoria Stewart this is a voyage to uncover the fate of the sister she lost. Whatever the truth may be, it will only be found below the waves.

HERES A GREAT SERIES FROM KEVIN HEARNE

HOUNDED
BOOK #1 \$19.95

Atticus O'Sullivan, last of the Druids, lives peacefully in Arizona, running an occult bookshop and shape-shifting in his spare time to hunt with his Irish wolfhound. His neighbors and customers think that this handsome, tattooed Irish dude is about twenty-one years old, actually he's twenty-one centuries old. Not to mention: He draws his power from the earth, possesses a sharp wit, and wields an even sharper magical sword known as Fragarach, the Answerer. Unfortunately, a very angry Celtic god wants that sword, and he's hounded Atticus for centuries. Now the determined deity has tracked him down, and Atticus will need all his power-plus the help of a goddess of death, his vampire and werewolf team of attorneys, a bartender possessed by a Hindu witch, and some good old-fashioned luck of the Irish-to kick some Celtic arse and deliver himself from evil.

HEXED
BOOK #2 \$19.95

Atticus O'Sullivan, last of the Druids, doesn't care much for witches. Still, he's about to make nice with the local coven by signing a mutually beneficial nonaggression treaty-when suddenly the witch population in Tempe quadruples overnight. And the new girls are badass with a dark history on the German side of World War II. With a fallen angel feasting on local high school students, a horde of Bacchants blowing in from Vegas and a dangerously sexy Celtic goddess of fire vying for his attention, Atticus is having trouble scheduling the witch hunt. But aided by his magical sword, his neighbor's rocket-propelled grenade launcher, and his vampire attorney, Atticus is ready to sweep the town and show the witchy women they picked the wrong Druid to hex.

HAMMERED
BOOK #3 \$19.95

Thor, the Norse god of thunder, is worse than a bully-he's ruined countless lives and killed scores of innocents. After centuries, Viking vampire Leif Helgarson is ready to get his vengeance, and he's asked his friend Atticus O'Sullivan to help take down this Norse nightmare. One survival strategy has worked for Atticus for more than two thousand years: stay away from the guy with the lightning bolts. But things are heating up in Atticus's home base. There's a vampire turf war brewing, and Russian demon hunters running rampant. Despite multiple warnings and portents of dire consequences, Atticus and Leif journey to the Norse plain of Asgard, where they team up with a werewolf, a sorcerer, and an army of frost giants for an epic showdown against vicious Valkyries, angry gods, and the hammer-wielding Thunder Thug himself.

BITTER RECKONING – HEATHER GRAHAM
BOOK #4 \$27.95 TRADE P/BACK

Start with Let The Dead Sleep. Danni Cafferty and Michael Quinn are happy to accept an invitation to a new couples resort from a friend of Danni's. But, maybe ordinary isn't in the cards for Cafferty and Quinn. When their first day poolside is interrupted by news of strange deaths in a nearby historic cemetery that's rumored to be cursed, champagne and chocolates have to take a back seat. Three corpses have been found strung up like scarecrows while a mirror set of murders has happened in New Orleans, creating an aura of fear that the grisly event could occur yet again. Sometimes it's better to just play to your strengths. Now it's up to Danni and Quinn to see if they can discover the truth between fact and legend before a killer can strike again.

MIDNIGHT BITE – CYNTHIA EDEN

Because she runs into trouble--trouble in the form of a tall, dark, and deadly vampire prince named Devereaux. He claims that he's there to help her but the guy is no Prince Charming. After all, Prince Charming isn't supposed to come with fangs and an appetite for blood. But Devereaux says that he's been waiting centuries for her. That she is meant to rule with him. Obviously, he's wrong. She's not meant to be the queen of the vamps. No matter what Devereaux says. But he's not the only one after her. Paranormal monsters are coming out of the woodwork. And the bite that she got? It's making her feel strange. Hungry. Her self-control is shredding, and Lark knows she's changing. She just doesn't know what she'll become.
