Katie Smith is the best of her class, part of an elite hunting force trained to eliminate werewolves from the hills of Western Virginia. She’s good at it because she has the kind of focus and drive that won’t back down no matter how steep the odds. Call it southern sass. Whatever it is, there’s no denying her willingness to risk everything for the only man she’s ever cared about—a man on the verge of losing his very humanity.

A casualty of the war between the demons and the vampires, Jase Kayrs has been missing for six long years. His older brothers want answers—but they’re going to have to get them from an unlikely source. For when Kane Kayrs tracks down Amber Freebird, what he finds is a blonde, vegan pacifist who has no intention of using her skills in his war. Amber enjoys her life of chaotic freedom and has no intention of falling in line just because a sexy-as-sin vampire insists on order. Unfortunately, he discovers she may be the only hope they have of finding his brother, and there’s no way he’s going to let her go—even if it means mating her to gain her cooperation. The two are as different as can be, yet when the dominant Kane and the untamed Amber finally unite to rescue Jase, they just may find that opposites really do attract.
