But as more horrendous acts occur, time is running out for the two of them.

LETHAL WHITE BOOK #4 \$22.99 *REPACK*

When Billy comes to private eye Cormoran Strike's office to ask for his help investigating a crime he thinks he witnessed as a child, Strike is left deeply unsettled. But before Strike can question him further, Billy bolts from his office in a panic. Trying to get to the bottom of Billy's story, Strike and Robin Ellacott - once his assistant, now a partner in the agency - set off on a trail that leads them through the backstreets of London, into a secretive inner sanctum within Parliament, and to a manor house deep in the countryside. And during this labyrinthine investigation, Strike's own life is far from straightforward: his newfound fame as a private eye means he can no longer operate behind the scenes. Plus, his relationship with his former assistant is more fraught than it ever has been - Robin is now invaluable to Strike in the business, but their personal relationship is much, much more tricky than that.
