Being young is all about the experiences: the first time you skip school, the first time you fall in love...the first time someone holds a gun to your head. After being held hostage during a robbery at a convenience store, seventeen year old Edie finds her attitude about life shattered. Unwilling to put up with the snobbery and bullying at her private school, she enrolls at the local public high school, crossing paths with John. The boy who risked his life to save hers. While Edie's beginning to run wild, John's just starting to settle down. After years of partying and dealing drugs with his older brother, he's going straight: getting to class on time, and thinking about the future. An unlikely bond grows between the two as John keeps Edie out of trouble and helps her broaden her horizons. But when he helps her out with another first—losing her virginity—their friendship gets complicated. Meanwhile, Edie and John are pulled back into the dangerous world they narrowly escaped. They were lucky to survive the first time, but this time they have more to lose—each other.

Since then, his own heart has been broken, and he's sworn off love...until he sees Ariana all grown-up and his resolve is threatened. Could Ariana's bargain with Norris actually lead her to happiness? With real love on the line, she must win over the one man who refuses to be had.

THE LADY TRAVELERS GUIDE TO SCOUNDRELS AND OTHER GENTLEMEN – VICTORIA ALEXANDER BOOK #1 \$18.95

Really, it's too much to expect any normal man to behave like a staid accountant in order to inherit the fortune he deserves to support the lifestyle of an earl. So when Derek Saunders's favorite elderly aunt and her ill-conceived and possibly fraudulent-Lady Travelers Society loses one of their members, what's a man to do but step up to the challenge? Now he's escorting the world's most maddening woman to the world's most romantic city to find her missing relative. While India Prendergast only suspects his organization defrauds gullible travelers, she's *certain* a man with as scandalous a reputation as Derek Saunders cannot be trusted any farther than the distance around his very broad shoulders. As she struggles not to be distracted by his wicked smile and the allure of Paris, instead of finding a lost lady traveler, India just may lose her head, her luggage and her heart. Free bonus story included in this volume! Includes "The Proper Way to Stop a Wedding (in Seven Days or Less)"

Though, with her nose for a story, Clara wonders if his desire for justice is sincere--along with his incredibly unnerving intention to be her husband. If her weak-kneed response to his kiss is any indication, falling for Adam clearly comes with a cost. But who knew courting danger could be such exhilarating fun?

Now that his two closest friends have tied the knot, he is more determined than ever to find a wife. If only it wasn't the intriguing Miss Jane Wilkinson that his heart--as well as the rest of him--desired. Not only does she appear uninterested in marriage, it's clear she's the managing sort. THE WILD INSIDE

BOOK #1 \$29.95 TRADE P/BACK

It was a clear night in Glacier National Park. Fourteen-year-old Ted Systead and his father were camping beneath the rugged peaks and starlit skies when something unimaginable happened: a grizzly bear attacked Ted's father and dragged him to his death. Now, twenty years later, as Special Agent for the Department of the Interior, Ted gets called back to investigate a crime that mirrors the horror of that night. Except this time, the victim was tied to a tree before the mauling. Ted teams up with one of the park officers-a man named Monty, whose pleasant exterior masks an all-too-vivid knowledge of the hazardous terrain surrounding them. Residents of the area turn out to be suspicious of outsiders and less than forthcoming. Their intimate connection to the wild forces them to confront nature, and their fellow man, with equal measures of reverence and ruthlessness. As the case progresses with no clear answers, more than human life is at stake--including that of the majestic creature responsible for the attack. Ted's search for the truth ends up leading him deeper into the wilderness than he ever imagined, on the trail of a killer, until he reaches a shocking and unexpected conclusion.

MORTAL FALL

BOOK #2 \$29.95 TRADE P/BACK

Glacier National Park police officer Monty Harris knows that each summer at least one person--be it a reckless, arrogant climber or a distracted hiker--will meet tragedy in the park. But Paul "Wolfie" Sedgewick's fatal fall from the sheer cliffs near Going-To-the-Sun Road is incomprehensible. Wolfie was an experienced and highly regarded wildlife biologist who knew all too well the perils that Glacier's treacherous terrain presents--and how to avoid them. The case, so close to home, has frayed park employee emotions. Yet calm and methodical lead investigator Monty senses in his gut that something isn't right. So when whispers of irresponsibility or suicide emerge, tarnishing Wolfie's reputation, Monty dedicates himself to uncovering the truth, for the sake of the man's family and to satisfy his own persistent sense of unease. Monty discovers that Wolfie's zealous studies of Glacier's mysterious, embattled wolverine population, so vital to park ecology, had met resistance, both local and federal. To muddy the waters further, a wilderness facility for rehabilitating troubled teens--one that Monty's older brother attended--may have a disturbing connection to the case. As Monty delves further into an investigation that goes deeper than he ever imagined, he wrestles with the demons of his past, which lead back to harsh betrayals he thought he'd buried long ago. And then a second body is found.

So he seeks help from Gretchen Larson, the county's lead crime scene investigator, and someone on whom Monty feels he can rely. The two are working against the clock to determine the true identity of the victim when a teenager suddenly disappears from one of the campgrounds in Glacier. Could the cases somehow be connected? As chances for recovery of the missing boy grow slimmer and the FBI finds only dead ends, Gretchen and Monty desperately race to fit all the pieces together in time.

BUNS – ALICE CLAYTON BOOK #3 \$29.95

Book #1 Nuts, Book #2 Cream Of The Crop. Clara Morgan is living the dream, if you can call rebranding hotels that are desperate for a new life and running any kind of marathon a dream. Which she does. But the career she loves and the endurance races that keep her adrenaline pumping have kept her too busy to put down any roots. Growing up in foster care, she's never been able to establish traditions of her own, which may be why she's fascinated by the rituals that generations-old family resorts are known for. She's especially interested in the Bryant Mountain House, and not just for their secret recipe for the yummy, gooey, can't-get-enough-of Hot Cross Buns. Archie Bryant, the man with the Buns, is fifth generation and one-day-owner of the charming yet run-down Bryant Mountain House in Bailey Falls, New York. He's determined to save his family's legacy from the wrecking ball the old-fashioned way--by gritting his teeth and doing what needs to be done. There's no way Archie will be influenced by the new hotel branding expert his father brought in to turn one hundred and fifty years of tradition on its head just to attract a faster, younger, slicker crowd. But when some of Clara's ideas start bringing in new, paying customers, Archie can't deny that she may have just given him a shot at keeping his resort open. It's sticky, it's messy, it's sweet, it's *Buns*.

addition to raising some serious cash. With no one to help him pay the lease on his Los Angeles condo, he worries how he'll survive. His best friend sets up a meeting with one of the Doms and partners at Kiss of Leather, a gay BDSM club being built as a premier destination for those who want the best of the best. Master Gavin not only wants the best—he demands it. When he meets Kyle, he assumes that part of the builder's reticence to share anything personal with him must be due to his experiences with an abusive former Master. Not one to back down from a challenge, Gavin determines to break through the walls surrounding the beautiful man he can't get out of his mind. He's hopeful that once he convinces Kyle to sign an initial contract, Kyle might be the first sub to open up his heart. Misunderstandings and accusations almost destroy everything between them before they have a real chance to begin. However, the true obstacle becomes not only whether Kyle will embrace BDSM as a lifestyle, but also whether he can handle a full-time D/s relationship with a big, bad, scary Dom who's as sexy as hell.
