In an attempt to fix her broken marriage Olivia exposes herself like never before. But when her confession goes viral, the husband, house and job disappear. The woman who once offered reassurance and a steady gaze is labelled a princess of perversion. Humiliated, defeated, facing fifty shades of failure, she's left wondering who the hell she really is? Stripped bare, she abandons perfection and something happens. Olivia Law just might get her sass back and this time, it's the real thing.

Though finding a new case won't be easy--it's not like another dead body will just fall in her lap--Summer's willing to give it a try. Besides, reconciling with her family--not to mention her old flame, police chief Luke Montgomery--is a nice way to spend her downtime. Although this case may be too close for comfort, it seems season two is already bringing the drama--and for Summer it could also be too hot to handle.
