THE OBSESSIONS OF LORD GODFREY CAVANAUGH – STEPHANIE LAURENS BOOK #4 \$35.00 TRADE P/BACK

Start with The Designs Of Lord Randolph Cavanaugh. Lord Godfrey Cavanaugh has no thoughts of marrying as he drives into North Yorkshire on a plum commission for the National Gallery to authenticate a Renaissance painting the gallery wishes to purchase. Then a snow storm sweeps in, and Godfrey barely manages to haul himself, his groom, and his horses to their destination. Elinor Hinckley, eldest daughter of Hinckley Hall, stalwart defender of the family, right arm to her invalid father, and established spinster knows full well how much her family has riding on the sale of the painting and throws herself into nursing the initially delirious gentleman who holds her family's future in his hands. But Godfrey proves to be a far from easy patient. Through Ellie's and her siblings' efforts to keep him entertained and abed, Godfrey grows to know the family, appreciating and, ultimately, being drawn into family life of a sort he's never known. Eventually, to everyone's relief, he recovers sufficiently to assess the painting--only to discover that nothing, but nothing, is as it seems. Someone has plans, someone other than the Hinckleys, but who is pulling the strings is a mystery that Godfrey and Ellie find near-impossible to solve. Every suspect proves to have perfectly understandable, albeit hidden reasons for their behavior, and Godfrey and Ellie remain baffled. Until the villain, panicked by their inquiries, strikes--directly at them--and forces them both to acknowledge what has grown to be the most important thing in their lives. Both are natural defenders of the weak and neither will give up. Together they battle to save not just themselves, not just her family, but their futures. Hers, his, and theirs.

Gareth is determined to find the right woman the same way he does everything in his life: using logic and mathematics. Serena Lombard might be the widow of a duke's son, but she's always existed on the ton's fringes. The French émigré has worked hard to create a secure home for her son and has struggled to establish herself as a respected sculptor and landscape gardener. Gareth should have known doing business with a woman would be a mistake, especially an unorthodox, opinionated, and far too appealing French widow who manages to destroy his ability to concentrate without even trying. Serena loves the project the industrialist has hired her to do; it's too bad the man himself is so remote. Not to mention distracting, and utterly captivating. The only thing the two opposites can agree on is that they should avoid becoming entangled with one another.

Still, the offer is rather tempting--both him and the job.

While checking out a new soup kitchen, he collapses from his growing illness--right into the arms of a sexy alpha male who also reminds him of someone who brutalized him in the past. Christos doesn't want the responsibility for the care of a human, no matter how alluring he is. And, with Dracul's unknown plans taking everyone's attention, there is no time for any distraction. But he can't stay away, and the trust this vulnerable human shows him is humbling. It also chips away at his resolve to stay alone. The final battle is gearing up, however, and Christos and Mateo are at ground zero. No matter how Christos tries to keep his boy safe, the fate of the world rests in both their hands.

THE FOURTH POWER—MICHELLE M PILLOW BOOK #3 \$40.00 TRADE P/B

Book #1 Second Chance Magic, Book #2 Third Times A Charm. Heather Harrison sees ghosts. It's not something she brags about. In fact, she wished she didn't. Communicating with the dead only leads to heartache, and for her it led to a divorce. For the most part, she's happy being single. She's got a good business, close friends, and a slightly overprotective brother. What more does a forty-something woman need? When her two best friends beg her for help in contacting loved ones, against her better judgment she can't say no to the séance. But some gateways shouldn't be opened, and some meddling spirits shouldn't be stirred like that of her Grandma who insists she's "found her a nice man". The supernaturals have come out to play and it's up to this amateur medium to protect herself and her friends before the danger they summoned comes to bite them.

CLOUDY WITH A CHANCE OF WITCHCRAFT – MANDY M ROTH BOOK #1 \$35.00 TRADE P/BACK

On the eve of my fortieth birthday, Fate has given me a second chance at the happiness I once knew in the odd Southern town of Grimm Cove. But only if I can come to terms with some rather eye-opening revelations. Supernaturals are a real thing. I'm a witch. My high school sweetheart, who happens to be the Chief of Police in Grimm Cove, is my fated mate and a wolf-shifter. Ghosts exist and can be very nosy and meddlesome. Someone is murdering witches left and right. And last but not least, my ex-husband's barely legal arm candy is taking fatal attraction to new levels of Hell. I'm no shrinking violet, and with the help of my best friends, I'm going to live life on my terms--come Hell, high water, or magikal mishaps. Romance book contains: kick-butt women who are considered middle-aged at forty but who don't let themselves be defined by a number, alpha males, paranormal elements (witches, shifters, ghosts, etc), some mildly strong language (nothing too earth-shattering), heated scenes but they aren't 50 shades of OMG or anything, and a nice heaping helping of a second chance at a first love.

GRAVE MAGIC BOUNTY – SHANNON MAYER BOOK #1 \$35.00 TRADE P/BACK

Over forty. Divorced. Rocking a little revenge against the Ex. A dash of magic and things are suddenly looking up. Even if you do you have to cross your legs when you sneeze. One day I'm married, living in Seattle, and magic isn't real. The next, I'm divorced and living in the guest room of my ex's hotter- than-sin cousin's place in Savannah . . . and talking to an animated skeleton named Robert. I have to admit, Robert isn't my worst date. At forty-one, I didn't think I'd be starting over. But I'll be damned if my ex thinks I'm down and out because he pulled a fast one on me. When a job comes my way that offers me a chance to use my childhood training in the shadow world, I take it-I need the money more than I care about my sanity. It's dangerous. I have to embrace the magic and dark of my past. And I need Advil to keep me going. So those who'd hold me back better sit up and take notice, because a new woman is in town, and she's not about to be counted out by anyone. Even if she does groan when she rolls out of bed in the morning.
