And this is a fact that humans should never forget. After her divorce, Vicki DeVine took over a resort near Lake Silence, in a human town that is not human controlled. Towns such as Vicki's don't have any distance from the Others, the dominant predators who rule most of the land and all of the water throughout the world. And when a place has no boundaries, you never really know what is out there watching you. Vicki was hoping to find a new career and a new life. But when her lodger, Aggie Crowe—Lilac-shifting Others—discovers a murdered man, Vicki finds trouble instead. The detectives want to pin the death on her, despite the evidence that nothing human could have killed the victim. As Vicki and her friends search for answers, ancient forces are roussé by the disturbance in their domain. They have rules that must not be broken—and all the destructive powers of nature at their command.

Working in an alternate version of Victorian London, Librarian-spy Irene has settled into a routine, collecting important fiction for the Library and blending in nicely with the local culture. But when her apprentice, Kai—a dragon of royal descent—is kidnapped by the Fae, her undercover operation begins to crumble. Kai’s abduction could incite a conflict between the forces of chaos and order that would devastate all worlds and all dimensions. To keep humanity from getting caught in the crossfire, Irene will have to team up with a local Fae leader to travel deep into a version of Venice filled with dark magic, strange coincidences, and a perpetual celebration of Carnival—and save her friend before he becomes the first casualty of a catastrophic war. But navigating the landscape of Fae politics will take more than Irene’s book-smarts and fast-talking to ward off Armageddon, she might have to sacrifice everything she holds dear.

The Burning Page

Book #3 $29.95 Trade P/Back

Due to her involvement in an unfortunate set of mishaps between the dragons and the Fae, Librarian-spy Irene is stuck in probaton, doing what should be simple fetch-and-retrieve projects for the mysterious Library. But trouble has a tendency to find both Irene and her apprentice, Kai—a dragon prince—and, before they know it, they are entangled in more danger than they can handle. Irene’s longtime nemesis, Alberich, has once again been making waves across multiple worlds, and, this time, his goals are much larger than obtaining a single book or wreaking vengeance on a single Librarian. He aims to destroy the entire Library of the different realities. Most recently, she and her assistant Kai have been sent to an alternative London. Their mission: Retrieve a particularly dangerous book. The problem: By the time they arrive, it’s already been stolen. London’s underground factions are prepared to fight to the death to find the tome before Irene and Kai do, a problem compounded by the fact that this world is chaos-infested—lives of nature bent to allow supernatural creatures and unpredictable magic to run rampant. To make matters worse, Kai is hiding something—secrets that could be just as volatile as the chaos-filled world itself. Now Irene is caught in a puzzling web of deadly danger, conflicting clues, and sinister secret societies. And failure is not an option.

The Lost Plot

Book #4 $29.95 Trade P/Back

After being commissioned to find a rare book, Librarian Irene and her assistant, Kai, head to Prohibition-era New York and are thrust into the middle of a political fight with dragons, mobsters, and Fae. In a 1920s-esque New York, Prohibition is in force; fedoras, flapper dresses, and Tommy guns are in fashion; and intrigue is aboot. Intrepid Librarians Irene and Kai find themselves caught in the middle of a dragon political contest. It seems a young Librarian has become tangled in this conflict, and if they can’t extricate her, it could have dire consequences for the mysterious Library. And, as the balance of power across mighty factions hangs in the balance, this could even trigger war. Irene and Kai are locked in a race against time (and dragons) to procure a rare book. They’ll face gangsters, gangmail, and the Library’s own Internal Affairs department. And if it doesn’t end well, it could have dire consequences on Irene’s job. And, incidentally, on her life.

Derrick is angry, and bitter, but with good reason. His army buddies should have left him to die instead of dragging him out of the rebel camp. Shrapnel to his back ensured his legs are useless. Everything below his waist is useless. As if that wasn’t bad enough, fate just has to kick a wolf when he is down and send him Janine. According to his inner beast, she’s his mate. There will be no claiming because Derrick isn’t about to saddle anyone with half a man. Problem is, Janine, with her red hair and tempting curves, won’t leave him the hell alone. She thinks she can fix him. And a part of him, the part that refuses to give up hope, is tempted to let her try.
