THE RICH BOY \$35.00 TRADE P/BACK

I'm the type of girl who's given up on fairy tales. So when Beck – the hot new busboy at work – starts flirting with me, I know better than to get my hopes up. Happily ever afters aren't for the average. I learned that the hard way. But how can I be expected to resist a man who can quote Austen, loves making me laugh, and seems to be everything hot and good in this world? Only there's so much more to him than that. Billionaire playboy? Check. Troubled soul? Check. The owner of my heart, the man I've moved halfway across the country to be with, who's laying the world at my feet in order to convince me to never leave? Check. Check. Check. But nobody does complicated like the one percent. This is not your everyday rags-to-riches, knight-in-shining armor whisking the poor girl off her feet kind of story. No, this is much messier.

"Faron" by Joan Johnston originally titled "The Cowboy and the Princess" in 01/07. Faron Whitelaw had some nerve calling Belinda Prescott a princess. He wanted to believe that she was nothing more than a gold digger, but all she seemed to want was him.

But trust is broken, and the alliance between Psy, Changeling, and human is thin. The problems that led to Silence are back in full force. Because Silence fixed nothing, just hid the problems. This time, the Psy have to find a real answer to their problems-if one exists. Or their race will soon go extinct in a cascade of violence. The answer begins with an empath who is attuned to monsters-and who is going to charm a wolf into loving her despite his own demons.

THE BEARS FOREVER MATE – VIVIAN AREND
BOOK #3 \$35.00 TRADE P/BACK

Book #1 The Bears Chosen Mate, Book #2 The Bears Fated Mate. Cooper Borealis is fully on board with the concept of fated mates. Except mating the woman he wants--his tempting, complicated, human secretary--is not an option. Or not yet anyway. So he'll use a loophole to keep the vow he made to his brothers, mating fever be damned. He'll be with Amber Myawayan at the place and time of his choosing. Amber has spent the past two years in the north looking for her missing brother--and falling in love with the big, growly polar bear at the helm of Borealis Gems. More than once, she's caught him looking at her with hungry shifter eyes. But getting him to admit it? Ha! Luckily, mating fever is a thing, and she's happy to get involved as nature forces the issue to the forefront. But when their mating bond is unexpectedly blocked, Amber and Cooper find themselves in a race against time. She needs to track down her brother while somehow proving she's tough enough to be with her favourite bear. And Cooper plans to protect her at all costs, even if it means secretly stifling his stubborn shifter side. Somewhere in the wilderness, they'll find the answer...or lose their chance at forever.

HOW TO DATE YOUR DRAGON
BOOK #1 \$29.95 TRADE P/BACK **TOP PICK**

Anthropologist Jillian Ramsay's career has taken a turn south. Concerned that technology is about to chase mythological creatures out into the open, the League for Interspecies Cooperation is sending Jillian to Louisiana on a fact-finding mission. While the League hopes to hold on to secrecy for a little bit longer, they're preparing for the worst in terms of human reactions. They need a plan, so they look to Mystic Bayou, a tiny town hidden in the swamp where humans and supernatural residents have been living in harmony for generations. Mermaids and gator shifters swim in the bayou. Spirit bottles light the front porches after twilight. Jillian's first assignment for the League could be her last. Mystic Bayou is wary of outsiders, and she has difficulty getting locals to talk to her. And she can't get the gruff town sheriff, Bael Boone, off of her back or out of her mind. Bael is the finest male specimen she's seen in a while, even though he might not be human. Soon their flirtation is hotter than a dragon's breath, which Bael just might turn out to be.

LOVE AND OTHER WILD THINGS
BOOK #2 \$29.95 TRADE P/BACK

Mystic Bayou, a town hidden formed around the energy rift in the bayou, which helps keep the magic in balance. But lately the rift has been destabilizing, threatening to send the town's magical population into chaos. Energy witch Danica Teel has been sent by the League to figure out what's going on, with the help of bear-shifter Mayor Zed. While working on the case, Zed falls head over paws for Dani. Dani's family is counting on her to get the job done, and she has no time for distractions. But when something begins stalking Dani through the bayou, they'll need to band together to make it out alive.

EVEN TREE NYMPHS GET THE BLUES **BOOK #2.5 \$25.95**

Ingrid Asher is the newest resident of Mystic Bayou. Ingrid doesn't ask for much. The tree nymph just wants to live a quiet life running her ice-cream shop in peace. Unfortunately, she can't seem to shake her new neighbor, Rob Aspern, head of the League's data science department. But the more she gets to know the hunky mathematician, the more she finds herself letting her guard down. Can she trust him with her secrets, or will her past destroy everything?

FURY UNLEASHED – N J WALTERS
BOOK #1 \$35.00 TRADE P/BACK **TOP PICK**

Maccus Fury, a fallen angel, is trying hard to keep his sanity. Seems being an assassin might be catching up with him. Now, Heaven, or Hell, has sent a beautiful assassin to kill him. *Lovely*. She's pretending to seduce him, and he's okay with that. She's smart and snarky-but she has no idea what she's walked into. And he's more than peeved that they only sent one person. They're going to need an army if they want him dead. Morrigan Quill is one of Hell's bounty hunters. She sold her soul to keep her sister safe, and now she's working off her contract by catching bad guys and dragging them back to hell. When Lucifer makes her a new offer--that's definitely too good to be true-she can't say no. All she has to do is kill a powerful and crazy-hot fallen angel, who will totally kick her ass in battle. Good thing he won't see what's coming next.

WICKED GAMES – M J SCOTT BOOK #1 \$35.00 TRADE P/BACK

TOP PICK

My mother was a wicked witch. Since her death, with no power of my own, I've stayed far away from magic. In a San Francisco struggling to recover from rising seas and earthquakes, and where technology can do things that are close enough to magic anyway, Maggie Lachlan is a computer whisperer. The one they call when no one else can find the bug bringing a system to its knees. They call her the Techwitch. But she knows there's nothing magical about what she does. So when Damon Riley, owner of the world's biggest virtual reality gaming company comes calling with a problem that his entire empire of geeks can't fix, Maggie leaps at the job. Riley Arts is the kind of place she feels at home. No magic. Except, perhaps, for the unsettling chemistry she has with the man in charge. But she never imagined stepping into one of Damon's games would reveal her mother lied about Maggie's magic. Or that technology could break a spell she never knew she was under. Now she has a demon hunting her and a whole world she knows nothing about to navigate. To save herself and the world she needs to learn fast. Because, when it comes to magic, too many games are wicked. And if you lose, the price can be very, very high.

IMAGINARY NUMBERS – SEANAN MCGUIRE BOOK #9 \$19.95

Start with Discount Armageddon. Adopted into the Price family at a young age, Sarah Zellaby has never been able to escape the reality of her origins: she's a cuckoo, a telepathic ambush predator. Friend, cousin, mathematician; it's never been enough to dispel the fear that one day, nature will win out over nurture, and everything will change. After spending the last several years recuperating in Ohio with her adoptive parents, Sarah is ready to return to the world-and most importantly, to her cousin Artie, with whom she has been head-over-heels in love since childhood. But there are cuckoos everywhere, and when the question of her own survival is weighed against the survival of her family, Sarah's choices all add up to one inescapable conclusion. Cuckoo vs. Price, human vs. cryptid...and not all of them are going to walk away.

Dianne Duvall continues her series BLADE OF DARKNESS BOOK #7 \$35.00 TRADE P/BACK

Start with Darkness Dawns. Dana Pembroke has always been able to glimpse the future of those she touches. But she never saw Aidan coming. When the Celt with world-weary eyes walks through her door, the future she sees for him is one full of danger, deception and passion. Amidst the battles that unfold in her visions, she also sees herself in Aidan's bed. Dana knows she should keep her distance, but the tender moments and laughter they share entice her even as she finds herself thrust into a world of vampires, immortals, and other beings. Immortal Guardian Aidan O'Byrne has been hunting and slaying psychotic vampires for nearly three thousand years, so visions of bloody battles don't trouble him. The battles Dana foresees, however, show Aidan's brethren turning against him, so he can't help but feel alarmed. While he spends as much time as he can with Dana, struggling to decipher her dire predictions, Aidan finds himself utterly smitten. When vampires begin targeting Dana and a powerful enemy spawns chaos, will fate grant them time to find happiness together?

AWAKEN THE DARKNESS BOOK #8 \$35.00 TRADE P/BACK

He awakens encapsulated in dirt with no knowledge of how he came to be there. Riddled with injuries, he can remember neither his past nor who he is. Nor can he remember what he is. All he knows with certainty is that the soothing voice and presence of the woman moving around above enables him to endure his wounds. When Susan first sees the old two-story house for sale, such warmth and longing fill her that she makes an offer. It will take years of hard work and money she frankly doesn't have to fix up the place. So she can't explain why she bought it. She also can't explain what compels her to dig in the basement until she unearths a man. A man who still lives and breathes despite having been buried alive. Susan knows she should keep her distance. He has no memory and possesses gifts that would make most fear him. But as the two work together to unravel the mystery of his past, she finds herself drawn in. So much so that she loses her heart to him even as they find themselves hunted by unknown enemies who are ruthless in their quest to capture them.

This 'human being' is *not* the Tiralan match he was looking for. Beryl Bowman's mother always said she'd never get married. She should have added a rider about the husband being human.
