Tess's best friend, Moira, is a member of the book club, of course, and she's determined to lead the charge against the new plan. But the book club members worry because Moira always seems to have a beef with the mayor. They think that she might protest too much. Gil Ryan is proud to be the mayor of Somerset Lake. He grew up here and loves the people and the beauty of the place. So when a proposal comes up to expand a lakeside park, he supports it. Even if it requires the relocation of the cafe. And even if someone he secretly cares a great deal about is in direct opposition to the plan. Even while at odds, everywhere that Moira turns, Gil is there, trying to win her over and win her heart.

What he finds out concerns him, but not enough to deal with before the ceremony. As Savvy walks down the aisle to Griffin, the wedding quickly goes from blessed day to shit show when their true identities are revealed. To say there's bad blood between their organizations is putting it mildly. Savvy and Griffin are tasked to take the other out. Unable to go through with their orders, they-and their friends -find themselves on the run. But when the two of them discover a secret about both of their organizations, Savvy and Griffin realize the only way to survive is to team up-and, even with assassins hot on their trail, they just might make it out alive and try again at 'I do'

THE LOST WITCH – PAIGE CRUTCHER

\$35.00 TRADE P/BACK

1922. The town of Evermore off the coast of Ireland is under the protection of a Goddess. She has bestowed power upon village healer Brigid Heron to ensure the heart of

magic within the Lough of Brionglóid--the lake of dreams--remains untouched. For the witches of Knight want to absorb its powerful energies and release the Damned from the Otherworld. Brigid has devoted her whole life to being Evermore's guardian, immersing herself in witchcraft, and sacrificing her own dreams. Until Luc Knightly, a trickster god with his own claim on the lough, offers Brigid her heart's desire in exchange for betraying her Goddess's trust. 2022. A century later, Evermore is under siege. The witches of Knight wield chaos magic, opening the rift between the island and the Otherworld wider every day. Beings born from folklore nightmares prey on the villagers, consuming their very humanity. Ophelia Gallagher, Brigid's descendent, and her fellow witch Finola McEntire do their best to keep the monsters and mayhem at bay. Brigid awakens in this world with no memory of how she traveled into the future, and why Evermore has been cursed. To seal the lough and stop the witches of Knight, she must work with Ophelia and Finola to help her remember the events of a hundred years ago. But the knowledge she seeks lies with Luc Knightly himself--mysterious, handsome, and powerful--and the one who once upon a time granted Brigid her dearest wish--a daughter. To save Evermore, Brigid may have to lose her daughter--again.

STAKES CAKES AND MANDRAKES – COLLEEN GLEASON

BOOK #3 \$29.95 TRADE P/BACK

Book #1 Tomes Crones and Scones, Book #2 Purses Curses and Hearses. Spring is in full swing in

lakefront Button Cove, and Jacqueline is embracing her new life-her friends, her new home, the crones down the street, and especially the detective with a hot-Viking vibe. It's not half bad, considering the fact that she has the bickering literary characters of Mrs. Hudson (Sherlock's landlady) and the dour, creepy housekeeper Mrs. Danvers from Rebecca "helping" her to run the bookshop, and her nemesis Egala Stone is opening her own store down the block. And then there's the handsome new undertaker-er, mortician-who's taken over the town funeral parlor and who has all the women ga-ga over him-including Jacqueline's friends. Things get a little weird when Detective Massermey's daughter seeks out help from Jacqueline, but surely she can handle that...right? But when an old book falls off the shelf, signaling the arrival of yet another literary character Jacqueline has to deal with, and strange accidents and thefts begin to happen in Button Cove, Jacqueline once again finds herself in a big, fat mess.

JULIE KAGAWA HAS 2 REISSUES THIS MONTH

THE IRON KING

BOOK #1 \$17.99 *REISSUE*

MY NAME IS MEGHAN CHASE. In less than twenty-four hours, I'll be sixteen. Countless stories, songs and poems have been written about this wonderful age, when a girl finds true love and the stars shine for her and the handsome prince carries her off into the sunset. Something has always felt slightly off in

Meghan Chase's life, ever since her father disappeared when she was six. Ten years later, when her little brother also goes missing, Meghan learns the truth--she is the secret daughter of a mythical faery king and a pawn in a deadly war. Now Meghan will learn just how far she'll go to save someone she loves, to stop a mysterious evil no faery creature dare face...and to find love with a young prince who might rather see her dead than let her touch his icy heart.

THE IRON DAUGHTER

BOOK #2 \$17.99 *REISSUE*

Half Summer faery princess, half human, Meghan Chase has never fit in anywhere. Deserted by the prince she thought loved her, she is prisoner to Mab, the Winter faery queen. As war looms between Summer and Winter, Meghan knows the real danger comes from the Iron fey--ironbound faeries that only she and her absent prince have seen. Worse, Meghan's fledgling fey powers have been cut off. She's stuck in Faery with only her wits

for help. Trusting anyone would be foolish. Trusting a seeming traitor could be deadly. But even as she grows a backbone of iron, Meghan can't help but hear the whispers of longing in her all-too-human heart.
