BIKER BEAUTIES VOL 1
BOOK #1 $40.00 TRADE P/BACK *2 IN 1*
“Biker Babe” Book #1 Princess. That’s what the club calls me. I’m not frilly, into pink, or expect a man to woo me with flowers. I’m the kind of girl you put on the back of your bike and ride through the night. The man in my life can try to tame me, but he’ll have one hell of a fight on his hands. Though if he wins, he’ll get the ultimate prize, all of me. His old lady through thick and thin. So when I opened my store, I didn’t expect to have the most jaw-dropping man walk in. I wanted him instantly. Only problem, my father is the president of the Hero’s Pride MC, and Taggers "Rex" Crawford is his new Vice President. Our Pride likes to live wild and ride free but everyone knows the president’s daughter is off limits. “Biker Beloved” Book #2 The day I found out I was going to be a father was the scariest moment of my life. Worse, my brand new baby girl was dropped off in the arms of my motorcycle club, abandoned by her mother while I was fighting in Afghanistan. Of course, the moment in time where I was vulnerable. Alec Dubois played on those vulnerabilities, teaching me lessons about love and life that would stay with me for the rest of my days.

CALENDAR GIRL VOL 1
BOOK #1 #3 $35.00 TRADE P/BACK *3 IN 1*
“January” Mia Saunders barely escaped a paltry life in Las Vegas until she gets the call that her Father has been nearly beaten to death or not paying his gambling debt. Problem is, the lone shark is her ex-boyfriend. Mia’s mission is simple. Serve as a high-priced escort for her Aunt’s company and pay monthly against her Father’s debt. A month with a rich man who she doesn’t have to sleep with if she doesn’t want to. Easy money. At least that’s what it was supposed to go. “February” A muse. Ms. Mia Saunders. The motorcycle riding, ass-kicking, concert t-shirt wearing chick from Las Vegas, is a world-renowned French artist’s muse. For a month. I was standing naked in front of a blank canvas in a Seattle warehouse. “Love on Canvas” he calls his exhibit, a combination of photographic stills and paint entwined. The problem, every last one of them features me and a moment in time where I was vulnerable. Alce Dubois plays on those vulnerabilities, teaching me lessons about love and life that would stay with me through the rest of my days. “March” A fiancée. I’m going to Chicago to pretend to be some Italian Stallion’s future wife. Why a hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I’m not paid to know why. I’m paid $100,000 to be his escort, or in this case, the woman he’s supposedly “going” to marry. The moment I met Antony “Tony” Fasano, I thought I might have lost my ability to breathe. In my entire life, I’d never seen anything like him. Glad only in a small towel precariously dangling from his hips, I knew right then and there, I’d finally seen male perfection in all its raw glory. What happened next blew me away. It was now clear why he needed a fake fiancée.

Beyond spilling blood, fate offers him another solution. Taking the daughter of his enemy will appease his angry men, but it leaves him struggling to find peace over making a hostage of a woman. What sort of man settles his disputes with a helpless woman? Rhedyn Lindsey has been raised to shoulder her duty. For her kin and clan, she will make the best of a future that will be decided based on alliances. But she never expects it to come in the form of being taken as a hostage. In an instant, her life is turned inside out. Perhaps for the best, though, for the alternative would have been to see her father’s blood spilled. Now she’s at the mercy of a man who has every reason to hate her. Regardless of what fate throws her way, she won’t crumble. She’ll stand up to Buchanan Mackenzie. Just because she’s a woman, doesn’t mean she lacks courage. Will Buchanan Mackenzie give in to the demands of his men who seek revenge for the death of his half-brother, or will he rely on the wisdom his beloved father taught him, and take his time in deciding what will happen to his beautiful captive—Rhedyn Lindsey—a woman who has captured his attention, respect, and quite possibly his heart?

“The Darkness at Fall’s Creek” by K.V. Rose Dante I’ve been watching her for two years. Two years I’ve dominated this college, on and off the court, and she hasn’t looked my way once. But tonight it’s Halloween. And tonight, she’s the one who’s getting haunt ed. Tonight, she’s going to find out that she’s mine. “Hot Off the Press” by Kori Blue Journalism major Jax North has her eye on a scoop that could launch her career, but getting stuck working with arrogant rich boy Lucas Hargrove wasn’t part of the plan. Lucas is stubborn, sarcastic, privileged, all the things Jax can’t stand. Unfortunately, he’s also the hottest guy on campus. He drives Jax crazy in more ways than she could ever have imagined—despite her judgment—and, when the unlikely duo’s investigation winds up being the right track, Jax finds herself in serious trouble. A series of blazes have broken out across the small college town of Dalesburg, and Jax is trapped with Lucas in a burning building, with more than one fire to put out. As the heady mix of lust and danger rises higher, the prickling tension between Jax and Lucas reaches fever pitch, and the flames aren’t going to be easy to extinguish. “Chasing Charlie” by Raven McAllan Jake Bannerman, aka Jake the Rake, isn’t used to doing the running, it’s usually the other way around. He hasn’t been given that sobriquet for nothing. Charlotte “Charlie” Allsop, newly arrived in Scotland, is in for a culture shock. She has no time for his attitude and no intention of making his life easy. If he wants her, it’s up to him to make the first move. Which he does—just not in the way anyone expects. He teases, she retaliates, and when he discovers her middle name, she enlists his sister’s help. As they continue the most unconventional courtship, where neither will give way, sparks fly. It’s amusing to watch, not so much to be part of it. Until the exboyfriend contest. When they both enter, the competition takes second place to their one-upmanship. Or does it? Will Jake be Jake the no longer rake? Will he have no need to be chasing Charlie? Only time will tell.
