BIKER BEAUTIES VOL 1

BOOK #1 \$40.00 TRADE P/BACK *2 IN 1*

"Biker Babe" Book #1 Princess. That's what the club calls me. I'm not frilly, into pink, or expect a man to woo me with flowers. I'm the kind of girl you put on the back of your bike and ride through the night. The man in my life can try to tame me, but he'll have one hell of a fight on his hands. Though if he wins, he'll get the ultimate prize, all of me. His old lady through thick and thin. So when I opened my store, I didn't

expect to have the most jaw-dropping man walk in. I wanted him instantly. Only problem, my father is the president of the Hero's Pride MC, and Taggart "Rex" Crawford is his new Vice President. Our Pride likes to live wild and ride free but everyone knows the president's daughter is off limits. "Biker Beloved" Book #2 The day I found out I was going to be a father was the scariest moment of my life. Worse, my brand new baby girl was dropped off in the arms of my motorcycle club, abandoned by her mother while I was fighting in Afghanistan. Of course, I did what I had to do, and returned home as soon as possible. At this point in my life, women were the last thing on my mind. I could easily pick up one at the bar. Then she entered my sights. Anya Markova. It was her eyes I noticed first. Bright blue and haunted. They spoke of a sadness I wanted nothing more than to whisk away. My first attempt at wooing her didn't go well. Anya wasn't the type of girl I could just pick up. She was the type I'd need to court. When I found out Anya was my daughter's ballet teacher, I knew exactly what I had to do—and I wasn't above using my daughter's love of her new teacher to make it happen. Because throughout my years I'd never met a woman who made my soul sigh the way she did. Now, I'll stop at nothing to make her my old lady.

CALENDAR GIRL VOL 1

BOOK #1 - #3 \$35.00 TRADE P/BACK *3 IN 1*

"January" Mia Saunders barely escaped a paltry life in Las Vegas until she gets the call that her Father has been nearly beaten to death or not paying his gambling debt. Problem is, the lone shark is her ex-boyfriend. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's debt. A month with a rich man who she

doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. "February" A muse. Me. Mia Saunders. The motorcycle riding, ass-kicking, concert t-shirt wearing chick from Las Vegas, is a world-renowned French artist's muse. For a month, I had no idea when I took the escort job with Exquisite Escorts I would be standing naked in front of a blank canvas in a Seattle warehouse. "Love on Canvas" he calls his exhibit, a combination of photographic stills and paint entwined. The problem, every last one of them features me and a moment in time where I was vulnerable. Alec Dubois played on those vulnerabilities, teaching me lessons about love and life that would stay with me through the rest of my days. "March" A fiancée. I'm going to Chicago to pretend to be some Italian Stallion's future wife. Why a hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I'm not paid to know why. I'm paid \$100,000 to be his escort, or in this case, the woman he's supposedly "going" to marry. The moment I met Antony "Tony" Fasano, I thought I might have lost my ability to breathe. In my entire life, I'd not seen anything like him. Clad only in a small towel precariously dangling from his hips, I knew right then and there, I'd finally seen male perfection in all its raw glory. What happened next blew me away. It was now clear why he needed a fake fiancée.

When Nicoletta once again finds herself in the sights of dangerous men, a split-second decision has Taviano breaking all of the Ferraro family's rules to keep her safe. And as far as he's concerned, the reward is more than worth the risk.

THE WAR PRIEST – ANN AGUIRRE
BOOK #5 \$35.00 TRADE P/BACK

Start with The Leopard King. Personal tragedy drove Callum McRae to join the Order of Saint Casimir fifteen years ago; now he's in charge of a hold he hasn't lived in for years. Supplies are scarce, he has no knack for dealing with people, and the Gols are at the gates. To make matters worse, he's also battling an attraction so forbidden that it imperils his very soul. Joss Bristow seems bright and cheerful, but she's hiding a well of sorrow that fuels her music. She's also prone to leaping before she looks, exactly how she ends up besieged at Burnt Amber. Though she wanted to get to know Callum better, she never imagined that falling for him could cost her life. He's the dark of night, and she's the sun that shines just for him. Two souls have never needed each other more, but between his holy vows and the devastation of war, the odds are stacked against them.

Book #1 Warriors Heart, Book #2 Future Past. Hannah came home from her tour in the desert with a foot busted up almost beyond repair. It's been a struggle to get back to civilian life after her injury, but she's working at the mall and doing what the doctors tell her, when all of a sudden, she's back in a firefight, in the middle of suburbia! Carter is tasked to

look after the woman who can't run, and finds himself enchanted. He's a Special Forces warrior with a near-magic ability for language. Days after the mall incident, he feels compelled to check on her, and then, the true adventure begins as attraction explodes into heated desire, and enemies on her doorstep cause him to take drastic action. Both sergeants, they're both in the Army, though under very different commands. Still, they find common ground and fiery passion, together. When a sleeper cell is awakened, it will take both of them to stop the insanity. Can they do it without losing anyone especially each other?

Sir Crispin Bontwee was knighted for his military service, but instead of retiring, he secretly went to work for the War Office. Mostly he enjoys his job, except when he must safeguard the Honey Bee. Neither one is a vampire expert, but when the Nottingham Hive goes badly Goth, only Dimity can stop their darkness from turning bloody. And only Crispin can stop an enthusiastic Dimity from death by vampire. In a battle for survival (and wallpaper), Dimity must learn that not all that sparkles is good, while Cris discovers he likes honey a lot more than he thought.

BOOK #1 \$35.00 TRADE P/BACK

With the world clinging to a fragile peace forced on the Fae by humanity after the Faerie Wars, metalsmith Alex Blackwood is plunged into the world of the half-fae who traffick in illegal magical artifacts. Her best friend's murder and his cryptic last message place her in the crosshairs of a scheme to reignite the decade-old war between humans and fae. Worse, violent attacks against her and the arrival of a fae knight on a mission force Alex to face a devastating revelation of who and what she is. To catch a killer, retrieve a dangerous artifact, and stop a war, Alex will have to accept that she's an unregistered fae "halfer" with a unique magical talent—a talent that would change everything she believes about her past, her art, and her future. Her world is crumbling around her, and Alex will have to decide who to trust if she and the world are going to survive.

BOOK #2 \$35.00 TRADE P/BACK

Book #1 Wolf's Bane. For Kate and Logan Danvers, sixteen-year-old twins of the werewolf Alpha, nothing could ruin a summer faster than the words "supernatural teen leadership conference." They expected a boring week of earnest political discussions and team-building exercises. Instead, in **Wolf's Bane**, they got a crash-course in real-life leadership, when the camp

imploded and the twins and their new friends fled into the West Virginia forest. Now, in **Wolf's Curse**, the group has taken refuge in a magically warded cabin only to discover that they might have been safer taking their chances with the demon outside. Trapped in a dark witch's sanctuary, surrounded by hell hounds, the twins will need to hone their leader and team building skills fast. There are battles to be waged and mysteries to be solved. Friendships to be forged in conflict and lost in betrayal. Even romances spark to life amid the turmoil. It might not be the way Kate and Logan expected to spend their week, but it will certainly be a summer camp to remember.

So far, Lorna Addams's forties are not what she expected. After a very public embarrassment, she finds it difficult to trust her judgment when it comes to new friendships and dating. She might be willing to give love a second chance when she meets the attractive William Warrick, if only she could come to terms with what her husband did to her and leave it in the past. How is a humiliated empty nest widow supposed to move on with her life? It's not like she can develop a sixth sense, séance her ex back, force him to tell her why and give her closure. Or can she?

THIRD TIMES A CHARM
BOOK #2 \$40.00 TRADE P/BACK

Vivien Stone lost the love of her life over twenty years ago. Now that she's in her forties with a string of meaningless relationships under her belt, she can't help but pine for what might have been. It doesn't help that she's somewhat psychic and can pretty much predict where a relationship is heading before it even starts. When she and her best friends find a hidden book of séances, Vivien believes it's the perfect opportunity to talk to her lost love. But things don't go as planned and what was meant to be a romantic reunion takes a turn for the bizarre. Maybe some things (and people) are better left buried in the past, and what she really needs has been standing in front of her all along.

BOOK #1 \$29.95 TRADE P/BACK

Divorced, desperate, and destitute, former restaurateur Defiance Dayne finds out she has been bequeathed a house by a complete stranger. She is surprised, to say the least, and her curiosity gets the better of her. She leaves Phoenix and heads to Salem. She's only there to find out why a woman she's never met would leave her a house. A veritable castle that has seen better days. She couldn't possibly accept it, but the lawyer assigned to the case practically begs her to take it off her hands, mostly because she's scared of it. The house. The inanimate structure that, as far as Dephne can tell, has never hurt a fly. Though it does come with some baggage. A pesky neighbor who wants her gone. A scruffy cat who's a bit of a jerk. And a handyman bathed in ink who could moonlight as a supermodel for GQ. She decides to give it three days, and not because of the model. She feels at home in Salem. But even that comes to a screeching halt when people begin knocking on her door day and night, begging for her help to locate their lost objects. Come to find out, they think she's a witch. And after a few mishaps, Dephne is beginning to wonder if they're right.
