American rugby import Ronan Dempsey's partying is trashing both his reputation and his game-and risking his chances for making the US Olympic team. He needs to clean up, and the pool house belonging to a family friend is the perfect place to hideaway. *No. More. distractions.* Which is exactly when a gorgeous, pink-haired hellion knocks Ronan on his ass. **WHAT THE HEART WANTS**  
**BOOK #1 \$22.99 \*REPACK\***  
 'Fly free.' For ten years those words, written on pink parchment paper in her mother's handwriting, have been Suda Kaye Ross's guiding star. Every year on her birthday, Suda Kaye opens another of the letters her mother penned before she passed, heeding the advice inside as she fills her life with experiences. From Italy to Australia, from Rio to Russia, she's slaked her wanderlust. And then, on her twenty-eighth birthday, she opens the letter that sends her home. Returning to Colorado means confronting everything -- and everyone -- she left behind, including her cherished sister, Evie, and her first love, Camden Bryant. Suda Kaye and Cam spent four years and one unforgettable night together. Given the way she ran out on him, it's no surprise that he's wary, resentful...and engaged to someone else. Evie, hardworking and uberresponsible, just wants her sister to put down roots at last. For Evie's sake, and her own, Suda Kaye is trying to build a new life, all the while wondering whether it's too late to come back home -- or if the most important part of her never really left.

**TO CATCH A DREAM**  
**BOOK #2 \$22.99 \*REPACK\***  
 "Think big. Live out loud." When their mother passed away a decade ago, Evie Ross and her sister, Suda Kaye, were each left a stack of letters, one to be opened every year on their birthday. While the letters encouraged Suda Kaye's wanderlust, taking her away from Evie for years, their free-spirited mother's wish for her more cautious daughter was to discover what her heart truly desires. But steadfast Evie discovered long ago that wishes rarely come true. A successful life stems from planning, building a stable career--and keeping your heart guarded at all costs. Now, with her sister home again, Evie's life can finally return to normal, until the one person she's been avoiding is suddenly everywhere. Milo Chavis is the only man Evie's ever wanted with all her heart, her desire for him matched only by the shock that he might want her, too. But if Evie's learned anything over the years, it's that you can't count on people to stick around. Overwhelmed, Evie retreats to the security she's worked hard to build, but when a monumental family secret upends her whole world, Evie is forced to follow her heart and trust it will lead her right where she belongs.

Life is . . . good? Even better, her best friend, Ivy Tamwood, is returning home. Nothing's simple, though, and Ivy's not coming alone. The vampires' ruling council insists she escort one of the long undead, hell-bent on proving that Rachel killed Cincy's master vampire to take over the city. Which, of course, Rachel totally did not do. She only transformed her a little. With Rachel's friends distracted by their own lives and problems, she reaches out to a new ally for help-the demon Hodin. But this trickster has his own agenda. In the end, the only way for Rachel to save herself and the city may be to forge a new understanding with her estranged demon teacher, Al. A woman in power must often make sacrifices to protect others. She knows the truth of it down to her aching heart. When Ruben watches his best friend Devraj get married, a stinging realization hits him hard...he's done waiting. They say time heals all wounds. In this case, it merely sharpened the pain and made one fact crystal clear. Jules Savoie is his soulmate, and nothing would keep her from him. Not anymore. Forced to work side by side to fight for the werewolf cause, they campaign together at covens from New Orleans to London. The reignited spark burns hotter than ever before. But when a power-hungry vampire sets his predatory sights on Jules, will their love be strong enough against black magic? Or will he lose her again? And this time, maybe...for good.

**WHAT THE HEX – JESSICA CLARE**

**BOOK #2 \$40.00 TRADE P/BACK**

Book #1 Go Hex Yourself. Penny Roundtree wants nothing more than to be a familiar to a witch. She's been a member of the Society of Familiars ever since she was old enough to join the Fam. There's just a small problem-no one's hiring. Witches and warlocks are so long-lived that there are far more familiars available than witches to train them. So when an unorthodox arrangement to apprentice under the table to a forbidden warlock presents itself, she takes it. Willem Sauer is banned from having a familiar due to past transgressions, thereby limiting his magic-casting abilities. Unfortunately for the surly, Prussian warlock, he has no choice but to work with enthusiastic Penny as a familiar. They immediately clash like dried roan horsehair and honeycomb gathered by moonlight (it's a terrible spell combination, ask anyone). Casting spells has delightful perks Penny never could have dreamed of, but also greater dangers. Someone is targeting Penny. Willem and Penny must work together to catch their enemy, and if their ploy requires a little kissing on the side, who is to question the rules of magic?

Literally. Magnus is relying on Donata's experience in dealing with the gods, along with her magical ability to summon the dead, to help him unravel this mystery in time to save his clan. **BEWICCHED AND THE SEA – SEANA KELLY**

**BOOK #1 \$35.00 TRADE P/BACK**

I'm Arwyn Cassandra Corey, the sea wicche, or the wicche who lives by the sea. It requires a lot more work than I'd anticipated to remodel an abandoned cannery and turn it into an art gallery & tea bar. It's coming along, though, especially with the help of a new werewolf who's joined the construction crew. He does beautiful work. His sexy, growly, bearded presence is very hard to ignore, but I'm trying. I'm not sure how such a laid-back guy got the local Alpha and his pack threatening to hunt him down and tear him apart, but we all have our secrets. And because I don't want to know his-or yours for that matter-I wear these gloves. Clairvoyance makes the simplest things the absolute worst. Trust me. Or don't. Totally up to you. Did I mention my mother and grandmother are pressuring me to assume my rightful place on the Corey Council? That's a kind of governing triad for our ancient magical family, one that has more than its fair share of black magic practitioners. And yes, before you ask, people have killed to be on the council-one psychotic sorceress aunt comes to mind-but I have no interest in the power or politics that come with the position. I'd rather stick to my art and, in the words of my favorite sea wicche, help poor unfortunate souls. (Good luck trying to get that song out of your head now.)

**FIRE PRINCE**

**BOOK #4 \$35.00 TRADE P/BACK**

Start with Dragon Prince. As an ambassador for the dragon-shifter monarchy, Prince Kane is well aware of his responsibilities. The shifters might have expelled the evil Federation from their planet and freed their alien prisoners, but they're left with chaos and opposing factions threatening civil war. This is not the time for Kane to be thinking about romance, especially with Nova, a daredevil leader who rattles his calm and tempts his inner fire. The rousing woman's ideas go against everything he and his people are trying to accomplish. Before a virus wiped out their home planet and they relocated to Shelter City, Nova's mother had been a revolutionary leader. It's a role Nova has inherited. If outside threats weren't enough, age-old conflicts are fracturing her people during a time they need to band together. Unfortunately, they're isolated and greatly outnumbered, and everything she holds dear is on the line. Charming a dragon prince might be her people's only hope. Too bad this handsome shifter may be more than she can handle.

She never imagined she'd need those skills to escape with her life. When a mysterious stranger arrives spouting conspiracies about her people's future, she's sure he needs a one-way trip to medical supervision. But the infuriatingly seductive outlaw knows things about her he shouldn't-intimate things, embarrassing things.
