Alex is part of a world hidden in plain sight, running a magic shop in London that caters to clientele who can do much more than pull rabbits out of hats. And while Alex's own powers aren't as showy as some mages, he does have the advantage of foreseeing the possible future--allowing him to pull off operations that have a million to one chance of success. But when Alex is approached by multiple factions seeking his skills to crack open a relic from a long-ago mage war, he knows that whatever's inside must be beyond powerful. And thanks to his abilities, Alex can predict that by taking the job, his odds of survival are about to go from slim to none....

Someone is harvesting the life-force of magical creatures --destroying them in the process. And draining humans is next on the agenda. Hired to investigate, Alex discovers not everyone on the Council wants him delving any deeper. Struggling to distinguish ally from enemy, he finds himself the target of those who would risk their own sanity for power. Alex still has the advantage of seeing the future--but he might not have a future for much longer.

BOOK #3 \$19.95**

This time last year, I could go weeks without seeing another mage. In mage society I was an unknown and, all in all, that was how I liked it. It's hard to say what changed. Whatever it was, I got involved in the magical world again and started getting myself a reputation. Alex Verus's insights into the future used to be the best-kept secret in London. Now, with the aid of his apprentice, Luna, his unique investigative talents are all the rage. He just has to be careful about picking his employers, because everyone has motives that can be hard to predict. And Alex doesn't do unpredictable. But his latest gig just might be impossible. Apprentices have been vanishing without a trace--and someone on the Council could be involved. Alex has no evidence, no witnesses, and no suspects. All he knows is that someone is keeping tabs on him. And after assassins target Luna's classmate, Alex sees that he doesn't know the half of it--and that he could be the next to disappear.

As she fights to clear her name, and bring Linda's killer to justice, Beth is left with more questions than answers and finds that the investigation is stirring up old memories that are better left forgotten.

Start with My One and Only Duke. Robert Rothmere is hiding a past no duke should have endured. Sooner or later, his enemies will learn that he spent years locked away at an asylum. To get their hands on his wealth,

they'll try to send him right back. If Robert is to foil their schemes, he needs to marry a proper, boring, dull duchess, immediately and he knows exactly which lady he'd love to entrust with that role. Lady Constance Wentworth has cultivated a reputation for utter forgettability. She never speaks out of turn (in-public), never has a daring thought (that she admits aloud), and never comes close to courting scandal as far as anybody knows. Her path crossed Robert's years ago, and she's never forgotten the extraordinary lengths he traveled to keep her safe when she hadn't a friend in the world. She longs to be his demure duchess but little does he know that to marry her would be utter madness.

Lead by the peerless general, Tzatzini, all that stands in the way of the God Emperor's grasp of power is Aoelyn, Talmadge, and their few remaining allies. But not all hope is lost. Far away from Fireach Speuer, an ancient tomb is uncovered by Brother Thaddeus of the Abellican Church. Within it is the power to stop the onslaught of coming empire and, possibly, reshape the very world itself

THE FALL OF
SHANNARA
THE LAST DRUID
THE TRIUMPHANT CONCLUSION
TO THE SHANNARA SAGA
NEW YORK TIMES BESTSELLING AUTHOR
TERRY BROOKS

Start with *The Black Elf Stone*. As the Four Lands reels under the Skaar invasion our heroes must decide what they will risk to save the integrity of their home. Even as one group remains to defend the Four Lands, another is undertaking a perilous journey across the sea to the Skaar homeland, carrying with them a new piece of technology that could change the face of the world forever. And yet a third is trapped in a deadly realm from which there may be no escape.

Once upon a time there was a tiny kingdom called Cornucopia, as rich in happiness as it was in gold, and famous for its food. From the delicate cream cheeses of Kurdsburg to the Hopes-of-Heaven pastries of Chouxville, each was so delicious that people wept with joy as they ate them. But even in this happy kingdom, a monster lurks. Legend tells of a fearsome creature living far to the north in the Marshlands... the Ickabog. Some say it breathes fire, spits poison, and roars through the mist as it carries off wayward sheep and children alike. Some say it's just a myth. And when that myth takes on a life of its own, casting a shadow over the kingdom, two children - best friends Bert and Daisy - embark on a great adventure to untangle the truth and find out where the real monster lies, bringing hope and happiness to Cornucopia once more.

48 HOURS – WILLIAM R FORSTCHEN \$24.95 *REPACK*

In 48 hours, the Earth will be hit by a Coronal Mass Ejection (CME) from the Sun, a Carrington Event that has the power to shut down and possibly destroy the world's electrical infrastructure. To try and prevent permanent damage, everything goes dark prior to the hit: global communications are shut down; hospital emergency generators are disconnected; the internet, broadcasting, phone systems are turned off. Will the world's population successfully defend itself in the wake of the CME, or will mass panic lead to the breakdown of society as we know it?

PORTALS – HOLZNER/GOCH/ETAL \$35.00 TRADE P/BACK

PORTALS: What mysteries...or horrors...await you on the other side? The lure of an open doorway is hard to resist. What lies beyond? Where will it take you-and how will lead to paradise or a living hell? You'll never know, unless you have the courage to take that first step. In this anthology you will find sixteen stories of portals to exotic destinations, whether it's a doorway in the desert that appears out of thin air, a fairy ring of mushrooms in the backyard, a crack in the road, or a train headed straight to Hell. Authors include Nancy Holzner, Jacey Bedford, Gini Koch, Violette Malan, Juliet Kemp, Jaime Lee Moyer, Jason Palmatier, and Patrick Hurley.

STRAIGHT OUTTA TOMBSTONE – BUTCHER/HOYT/ETAL \$19.95

Come visit the Old West, the land where gang initiations, ride-by shootings and territory disputes got their start. But these tales aren't the ones your grandpappy spun around a campfire, unless he spoke of soul-sucking ghosts, steam-powered demons and wayward aliens. Here then are seventeen stories that breathe new life in the Old West. Among them: Jim Butcher reveals the origin of one of the Dresden Files' most popular characters in "Fistful of Warlock." And Kevin J. Anderson's Dan Shamble, Zombie P.I., finds himself in a showdown in "High Midnight." Plus stories from Alan Dean Foster, Sarah A. Hoyt, Jody Lynn Nye, Michael A. Stackpole, and many more.

UNCONQUERABLE SUN – KATE ELLIOTT BOOK #1 \$32.99 TRADE P/BACK

Princess Sun has finally come of age. Growing up in the shadow of her mother, Eirene, has been no easy task. The legendary queen-marshal did what everyone thought impossible: expel the invaders and build Chaonia into a magnificent republic, one to be respected--and feared. But the cutthroat ambassador corps and conniving noble houses have never ceased to scheme--and they have plans that need Sun to be removed as heir, or better yet, dead. To survive, the princess must rely on her wits and companions: her biggest rival, her secret lover, and a dangerous prisoner of war.

HEX LIFE – ARMSTRONG/KENYON/ETAL \$35.00 TRADE P/BACK

These are tales of witches, wickedness, evil and cunning. Stories of disruption and subversion by today's women you should fear. Including Kelley Armstrong, Rachel Caine and Sherrilyn Kenyon writing in their own universes. These witches might be monstrous, or they might be heroes, depending on their own definitions. Even the kind hostess with the candy cottage thought of herself as the hero of her own story. After all, a woman's gotta eat. Bring out your dread.

BEWITCHED—DARYNDA JONES BOOK #2 \$29.95 TRADE P/BACK

Book #1 Betwixt. Forty-something Defiance Dayne only recently discovered she comes from a long line of powerful witches. Added to that shocker was the infinitesimal fact that she is what's called a charmling. One of three on the entire planet. And there are other witches who will stop at nothing to steal her immense power, which would basically involve her unfortunate and untimely death. No one told her life after forty would mean having to learn new life skills--such as how to survive a witch hunter dead set on killing her--or that the sexiest man alive would be living in her basement. Whoever said life begins at forty was clearly a master of the underappreciated and oft maligned understatement.

ROSEMARY SAID THIS WAS A GREAT READ. THE BRIGHT AND BREAKING SEA – CHLOE NEIL BOOK #1 \$35.00 TRADE P/BACK

Kit Brightling, rescued as a foundling and raised in a home for talented girls, has worked hard to rise through the ranks of the Isles' Crown Command and become one of the few female captains in Queen Charlotte's fleet. Her ship is small, but she's fast-- in part because of Kit's magical affinity to the sea. But the waters become perilous when the queen sends Kit on a mission with a partner she never asked for. Rian Grant, Viscount Queenscliffe, may be a veteran of the Continental war, but Kit doesn't know him or his motives--and she's dealt with one too many members of the Beau Monde. But Kit has her orders, and the queen has commanded they journey to a pirate quay and rescue a spy who's been gathering intelligence on the exiled emperor of Gallia. Kit can lead her ship and clever crew on her own, but with the fate of queen and country at stake, Kit and Rian must learn to trust each other, or else the Isles will fall.

BLACKBIRD BROKEN – KERI ARTHUR BOOK #2 \$35.00 TRADE P/BACK

Book #1 Blackbird Rising. Generations of De Montfort women have protected the sword in the stone. Gwen is the last of them, following in the footsteps of her grandmother, Moscelyne. But the sword has now been drawn, and the new Witch King may well be working with Darkside. Now the race is on to find the missing artifacts that will stop the king accessing the full power of the sword. But as the attacks escalate and the fractured clues of history are slowly pieced together, Gwen, Mo, and Luc Durant--the motorbike-riding warrior from an ancient order of knights--quickly realize all is not as it seems. Worse still, the true source of the plot to unleash Darkside and restore witch rule is far closer to home than any had guessed. But as new prophecies rise, and the truth of the sword in the stone becomes clear, another race begins. One that will end with a crown, a throne, and the fate of all England as its prize.

SPELLCASTING WITH A CHANCE OF SPIRITS – MANDY M ROTH BOOK #3 \$35.00 TRADE P/BACK

Book #1 Cloudy with a Chance of Witchcraft, Book #2 Hexing with a Chance of Tornadoes. Every cloud has a silver lining, even in matters of the heart. I can see and hear the dead. I can also talk to animals. As a natural-born witch and medium, I can do a lot of odd things. In most people's eyes, that makes me a loon. I like to think of it as being unique and eccentric. Plus, now that destiny has brought me back to the town I was born in, I'm not all that different from the supernatural residents of Grimm Cove. When I find myself being hunted by a dark entity, I turn to the only person who can really help. Too bad he dislikes people in general, would rather keep to himself, and is positive my elevator doesn't stop at all floors. Plus, he's not a fan of squirrels which does put a kink in things considering my familiar is one. Should make for an interesting adventure seeing as how he's my mate and we're destined for one another.

SHAPERS OF WORLDS – MCGUIRE/HUFF/ETAL \$35.00 TRADE P/BACK

An exobiologist tries to liberate a giant alien enslaved on its homeworld by humans. The music of the spheres becomes literal for an Earth ship far from home. KUSHIELS DART

BOOK #1 \$24.95 (ORIG 2001)

Born with a scarlet mote in her left eye, Phèdre nò Delaunay is sold into indentured servitude as a child. When her bond is purchased by an enigmatic

nobleman, she is trained in history, theology, politics, foreign languages, the arts of pleasure. And above all, the ability to observe, remember, and analyze. But when Phèdre stumbles upon a plot that threatens her homeland, Terre d'Ange, she has no choice. Betrayed into captivity in the barbarous northland of Skaldia and accompanied only by a disdainful young warrior-priest, Phèdre makes a harrowing escape and an even more harrowing journey to return to her people and deliver a warning of the impending invasion. And that proves only the first step in a quest that will take her to the edge of despair and beyond.

KUSHIELS CHOSEN

BOOK #2 \$24.95

Phèdre nò Delaunay's was purchased by Anafiel Delaunay, a nobleman with a mission-and the first to recognize her for who and what she is: one pricked by Kushiel's Dart. Having stumbled upon a plot that threatened the very

foundations of her homeland, Phèdre gave up almost everything she held dear to save it. She survived to have others tell her story. The hands of the gods weigh heavily upon Phèdre's brow, and they are not yet done with their charge-for while the young queen who sits upon the throne is well loved by the people, there are those who believe that other heads should wear the crown. And those who escaped the wrath of the mighty are not yet done with their schemes for power.

KUSHIELS AVATAR

BOOK #3 \$24.95

Phèdre nò Delaunay was chosen to forever experience pain and pleasure as one. Her path has been strange and dangerous, but through it all the devoted swordsman Joscelin has been at her side. But Phèdre has never

forgotten her childhood friend Hyacinthe, who struck a bargain with the gods to save Phèdre...and their nation. She is determined to seize one last hope to bring him back. Her quest will bring Phèdre and Joscelin across the world, to distant courts where madness reigns and souls are currency, down a fabled river to a land forgotten by most of the world. And to a power so mighty that none dare speak its name.
