THE EXILES CURSE  
BOOK #1 \$40.00 TRADE P/BACK**

Chloe de Montesse never thought she'd return from exile. Now she has a chance to reclaim the life she fled after her husband was executed for treason. But coming home again isn't as simple as it sounds. Her magic is rusty, her family want her to wrap her in cotton wool, and Illvyan society views her as a scandal waiting to happen. Worse, her new life keeps throwing her into the path of the man who destroyed her old one. Lucien de Roche's magic bares the truth for all to see. He's used it to serve the empire, but there's one secret he's always kept hidden. The fact that he fell in love with his best friend's wife. And that he's never quite fallen out again. Now Chloe is back and it's no secret at all that she loathes him for his part in her husband's death. A sensible man would forget her but he's tired of being sensible. And determined to keep her safe. When a mission from the emperor takes them both into the heart of the empire, to a country where power and loyalties collide, and old plots simmer back to life, Chloe finds herself dragged back into the past she wants to leave behind. And her only way out might be Lucien. The man she thinks she can never trust. The man she wants to hate. Or hates to want.

**THE TRAITORS GAME  
BOOK #2 \$40.00 TRADE P/BACK**

Chloe de Montesse dreamed about returning home to a peaceful life. But now she has an inconvenient marriage no one wants to let her end, a diplomatic scandal to navigate, and old troubles swirling around her. As well as trying to determine who might want her dead. And that's just the beginning. Lucien de Roche has avoided marriage for years because his heart belonged to a woman he could never have. Now he has her, but he knows he'll have to let her go again because their marriage is a sham. So he still can't tell her the truth. But he will do everything in his power to keep her safe.

**KERI ARTHUR  
CROWN OF SHADOWS  
BOOK #1 \$35.00 TRADE P/BACK**

A confrontation with a former lover leads to the discovery of another murder and a missing jewel from a godly relic, and Beth learns that the âEadrom Hoard--one of three godly hoards now guarded by the elves--has been stolen. But this is no ordinary theft. Darker forces are at work, and they're not only seeking the means to resurrect a god of destruction but the power to forever banish daylight.

That power lay with Agrona's Claws--three godly artifacts that, when used together, give the user full control over night itself. With the webs of suspicion drawing ever tighter around them, Beth & Lugh--with the help of two sexy elves and a cantankerous old goddess who knows far more than she admits--race to find the missing artifacts before those intent on unleashing chaos.

**SWORD OF DARKNESS  
BOOK #2 \$35.00 TRADE P/BACK**

Agrona's claws--three godly artifacts that, when used together, have the power to either extend darkness or utterly banish it--were deliberately hidden eons ago so that no man or woman would ever again wield them. But nothing stays hidden forever, and the Crown of Shadows was recently unearthed and stolen, despite Bethany Aodhân's best efforts to stop it. Now Beth and her brother Lugh must seek out the Sword of Darkness before those intent on destruction can reunite two of the three Claws and unleash chaos. But even the help of a cranky goddess and two sexy elves might not be enough to save the day... or the world itself. Because the forces of darkness are gathering momentum, and its origin lies closer to home than any of them guessed.

## CAITLIN MCKENNA'S CHRISTMAS SERIES IS ENCHANTING

### COLORADO CHRISTMAS MAGIC BOOK #1 \$25.95

After writing a column suggesting readers cancel Christmas, Charley Dawson is sent on assignment to St. Nicholas, Colorado, home of the Scrooge Legend. The legend says that any "Scrooge" who enters the town will end up loving Christmas as much as Santa does. She'll go, she'll prove the myth wrong, she'll have a fantastic new column. Detective Jack Brody assumed the Scrooge Legend was just that--a legend. A free stay in the town seems too good to be true, so he heads to St. Nicholas to investigate. Once there, he finds a winter wonderland, a group of kind but closed-mouthed townspeople and his high school sweetheart, Charley. He's more than happy to team up with her, especially when it might mean a second chance at love. As Charley and Jack go dashing through the snow to find the truth, they rediscover all the reasons they were a great couple. She'd been his leading lady once before she broke his heart. But some things are just meant to be. Book #1 A Sense of Danger. Most spies take a break for the holidays, but not me, Charlotte Locke. As an analyst for Section 47 I normally use my magical form of synesthesia to uncover lies and track paramortal criminals from the comfort of my cubicle. But tonight I'm going out into the field, along with my partner, Desmond Percy, a powerful galvanist. Instead of enjoying Christmas, I'm in a German castle, dressed like a toy soldier and masquerading as a waitress at a Christmas Eve party. My mission? To gather information that will help Section 47 track down a dangerous enemy. Despite the glitz and glamour, I can't shake the sense that something is wrong-and that Desmond and I might not leave the party alive. My name is Desmond Percy, although I've had many aliases during my years working as a cleaner for Section 47. But I've never had a real partner until Charlotte Locke. My part of the mission is simple: pretend to be a guest and keep an eye on things at the party while Charlotte uses her synesthesia to track down the information we need. But what starts out as a sugar plum dream quickly turns into a holiday nightmare. Forget the mission. All I want for Christmas is to keep Charlotte safe.

But with a potential threat lurking in the winter shadows, Myrtle may need to pluck up the nerve to approach the reclusive duke. And Val is not one to turn his back on a vulnerable lady. Amid the silent nights of London, beneath a blanket of snow, could the light of a new, warm love be kindling?

Life is anything but boring as I juggle two men, the strangest dreams, and a pajama wearing goat who isn't acting like her usual self. And it might be my fault seeing as how I accidentally triggered a curse.
