That opens up an astonishing array of thrilling-and erotic-possibilities...Alys Taunton might be sheltered and lonely, but she's not stupid. When Gideon proposes a marriage of convenience, she never expects the immoral man to remain faithful. GUARDIANS GRACE – REBECCA ZANETTI
BOOK #12 \$29.95 TRADE P/BACK

Start with Fated. Vampire soldier Adare O'Cearbhaill's default setting is cranky. Still, as a Highlander of honor and duty, he stepped up to save an enhanced and special human female by mating her-with merely a bite and a brand. The last person he wants in his life is a fragile human, yet he can't get her out of his mind as she regains her strength before taking off for parts unknown. And when he discovers she is in danger, nothing can stop him from hunting her down. Photographer Grace Cooper has had it with vampires, demons, and the rest of an immortal world she was happier not knowing about. She also doesn't believe she's destined for some great battle because of an old birthmark. Forget the fact that her mate is the sexiest thing on two feet, or that her brand is fading along with her health. She'll handle things on her own-until she learns the only way to stay alive is to *actually* mate Adare.
