BRING THE HEAT – GA AIKEN

BOOK #10 \$18.95

Start with Dragon Actually. He says: I, Aidan the Divine, am, well *divine*. My name was given to me by the Dragon Queen herself! I'm a delight! Cheerful. Charming. And a mighty warrior who is extremely handsome with a very large and well-hidden hoard of gold. I am also royal born, despite the fact that most in my family are horrendous beings that don't deserve to live. And yet, Branwen the Awful-a low-born, no less-either tells me to shut up or, worse, ignores me completely. She says: I'll admit, I ignore Aidan the Divine because it annoys him. A lot. But, we have so much to do right now, I can't worry about why he keeps staring at me, or why he always sits so close, or why he keeps looking at me like he's thinking about kissing me. We have our nations to save and no time for such bloody foolishness no matter how good Aidan looks or how long his spiked tail is. Because if we're going to win this war before it destroys everything we love, we'll have to face our enemies together, side by side and without distractions. But if we make it out alive, who knows what the future will hold.
