Now, like in some cheesy romantic comedy, my car has broken down in the pouring rain on my way to "find myself" in The Middle of Nowhere, Texas. Cue hot guy coming to my rescue and changing my life. This is the part where we meet and have a meet-cute, right? That's how it works in romance novels, and I should know—after all, I'm coming to Texas to write my own cowboy romance. But nope. This sexy cowboy lights into me about not being prepared for the country roads and how inappropriate my high-heeled boots are. Little did I know, Jason Jenkins would tilt my world into a new dimension with his sinful smirk and his bad attitude. Every time I turn around, he's there to relentlessly save the day. And every time, I think there may be something to that spark we ignite. But there's a reason the majority of country songs are about broken hearts. The closer I get to this man, the closer I get to learning the truth about cowboys.
