New York, 2061: The place called the Pleasure Academy is a living nightmare where abducted girls are trapped, trained for a life of abject service while their souls are slowly but surely destroyed. Dorian, a thirteen-year-old runaway who’d been imprisoned there, might never have made it out if not for her fellow inmate Mina, who’d hatched the escape plan. Mina was the more daring of the two—but they’d been equally desperate. Unfortunately, they didn’t get away fast enough. Now Dorian is injured, terrified, and wandering the streets of New York, and Mina lies dead near the waterfront while Lt. Eve Dallas looks over the scene. Mina’s expensive, elegant clothes and beauty products convince Dallas that she was being groomed, literally and figuratively, for sex trafficking—and that whoever is investing in this high-overhead operation expects windfall profits. Her billionaire husband, Roarke, may be able to help, considering his ties to the city’s ultra-rich. But Roarke is also worried about the effect this case is having on Dallas, as it brings a rage to the surface she can barely control. No matter what, she must keep her head clear—because above all, she is desperate for justice and to take down those who prey on and torment the innocent.

As the body count rises, the compound bow killer becomes even more elusive, appearing and vanishing like a ghost. However, with each new slaying Meg is beginning to suspect the grim design that's escalating in the shadows. At its heart, a tragic event that reaches back nearly two centuries in Georgia's history is now turning Blue Ridge into a hunting ground. But as Meg gets closer to solving the puzzle, the closer she is to stepping into the crosshairs of a murderer with deadly aim, and motives as deep and dark as the woods.

Hot on their trail, Essa sneaks out of school, bribes spaceport officials and convinces Captain Thorn Hanover to take her on his ship straight into a space pirate trap.

ROSEMARY JUST DISCOVERED THIS SERIES BY AUSSIE AUTHOR DONNA MAREE HANSON OPI BATTLES THE SPACE PIRATES BOOK #3 \$29.95 TRADE P/BACK

Ms Opeia Gayens, head of AllEarth Corp, has a problem-her company is rotten with Space Pirates. She wants to get rid of them once and for all. An unexpected invitation to dinner challenges her plans to be the bait that will draw the nasty pirates out. It's been forever since she's been on a date-just been Opi. Somehow, Owain McDevitt, mild-mannered, potato farmer from the planet Islay 2 is drawn into the intrigue. Yet, no one is who they seem, least of all Owain McDevitt. Betrayal after betrayal threatens Opi's existence and she must discover who the traitor really is before she can find her true path to happiness.

DEFY ME – TAHEREH MAFI BOOK #5 \$22.99 TRADE P/BACK

Start with Shatter Me. Juliette's short tenure as the supreme commander of North America has been an utter disaster. When the children of the other world leaders show up on her doorstep, she wants nothing more than to turn to Warner for support and guidance. But he shatters her heart when he reveals that he's been keeping secrets about her family and her identity from her—secrets that change everything. Juliette is devastated, and the darkness that's always dwelled within her threatens to consume her. An explosive encounter with unexpected visitors might be enough to push her over the edge.
