### BAZAAR GIRLS

BOOK #3 \$40.00 TRADE P/BACK

Book #1 Nevermore Bookstore, Book #2 Brewbies. Gemini "Gemma" McKendrick knows just about everything about everybody in Townsend Harbor. When she's not serving on one of the many civic positions or picking up another hobby, she's hosting the Sunday Stitch 'N Bitch at her yarn and craft shop, Bazaar Girls. But all her schmoozing isn't converting to sales, and with her boutique in big trouble, she makes a snap decision to rent out the basement of her craftsman to Townsend Harbor newcomer Gabe Kelly. A man with a past as colorful as his tattoo sleeves, who has become an urban legend since he blew into town. And who better than Gemma, Townsend Harbor's own gossip guru, to answer the rumor mill's most pressing questions? Like whether the silver-tongued mechanic is as good with his hands as he is with a socket wrench. Gabriel "Gabe" Kelly wasn't born into a family so much as a criminal enterprise. Taught to lift, chop, and rebuild cars since before he could tie his own shoes, he's obliged to pay his debt to society before deserting Boston for Townsend Harbor. A place he could stay out of trouble. He immediately lands about the only job an ex-con with prison muscles and neck tattoos could easily find in a town like this—a mechanic for a high-end vintage car shop. Moonlighting as the only tow truck in a thirty-mile radius, he rescues the absent-minded hottie who runs the local yarn shop. But he quickly discovers that a toy-sized car with a dashboard lit up by Christmas isn't the only thing in Gemma McKendrick's life desperately in need of maintenance. Gabe finds his sexy landlord is impossible to figure out.

### THROUGH THE SNOWGLOBE – ANNIE RAINS

\$40.00 TRADE P/BACK

Diana Merriman, a physical therapist, is probably the only person in the small town of Snow Haven, North Carolina, who isn't looking forward to Christmas. It's been three weeks since her fiancé Linus was critically injured when a car hit him as he biked home from the toy store he owns and manages. Watching him open his eyes is the only gift she wants, but she can't help losing a little more hope every day. But an unexpected visit from a friendly neighbor and finding a snow globe of Snow Haven—a gift Linus had hidden in the closet--the night before Christmas Eve changes things in ways Diana never would have imagined. Because on Christmas Eve Diana wakes up to find that it's not--Christmas Eve, that is. Instead, it's somehow December 4 all over again, the day Linus got hurt, and as mystified as Diana is, she immediately starts a plan to save her partner from his fate. Nothing is that simple, of course. Instead of a single repeat of that day, Diana finds herself in an endless loop of December 4, experiencing every possible variation of events. Along the way, she uncovers startling truths about herself, her relationship, and even her career that illustrate the ways she's retreated from her life--and in the face of life's slights and outright blows, from her deepest feelings. Suddenly hope is second only to joy as Diana opens her heart to the people she loves in every way she can.

As she'd feared, her "runaway bride" reputation is waiting right where she left it, and her ex's best friend, Brant, isn't about to let her slip by unnoticed.

Brant has always been a loyal friend, but Talulah's decision to run isn't the only thing he hasn't forgotten. He remembers more about Talulah than he cares to admit. Vividly. And it's increasingly difficult to ignore her now, especially when they find themselves in close quarters. Talulah has no plans to stay in town after she fixes up her aunt's Victorian farmhouse, even if the unbridled sparks with Brant give her a good reason to linger. Besides, bailing on relationships is kind of her thing. But a lot has changed since Talulah last turned tail--maybe her heart has changed, too?

Ever since I met her, she's looked down her perky little nose at me, never mind that I'm a good foot taller. Apparently, I offended her with a few risqué jokes and an offer for a fun, no-strings night-crimes that have relegated me to lower than dirt in St. Cassandra's eyes. These days we're at a stalemate. Don't get along, can't get along. Only when tragedy strikes, we have no choice but to put our animosity aside for the sake of our hurting niece and nephew, who need us now more than ever. As co-guardians, Cassie and I are enemy combatants in an uneasy truce, flailing around in a no-man's land of grief and lust, forced to work as a team. Thing is, when Cassie and I team up-when we really work together-the results are explosive. In a sexy way. In an amazing way. Maybe in every way. But with stakes this high, we can't get it wrong. Even though it feels so, so right.

Like not pushing Stacy too fast, even though he knows they're fated mates. Having her boys in the picture only makes him want to accelerate the timing even more. He wants her, and them, to be his. But first, he needs to eliminate the dangers from her past that threaten their future. Because something's not right in the pack. There's going to be a showdown between one very protective mama and anyone who thinks they can pull a fast one on her. Del's more than willing to hold her cape as long as they're standing together in the end.

He thinks he has the assassin in his sights, but he's unprepared for the firestorm their connection ignites. Amaranthe Aubert's lithe dancer's body conceals a spine of steel. Even held captive and faced with the threat of lethal interrogation, she's not about to cave under pressure. But before Amara knows what's happening, Geno connects to her in the shadows, stripping her bare of all artifice. Cassie Greenberg loves being an artist, but it's a tough way to make a living. On the brink of eviction, she's desperate when she finds a too-good-to-be-true apartment in a beautiful Chicago neighborhood. Cassie knows there has to be a catch--only someone with a secret to hide would rent out a room for that price. Of course, her new roommate

Frederick J. Fitzwilliam is far from normal. He sleeps all day, is out at night on business, and talks like he walked out of a regency-romance novel. He also leaves Cassie heart-melting notes around the apartment, cares about her art, and asks about her day. And he doesn't look half bad shirtless, on the rare occasions they're both home and awake. But when Cassie finds bags of blood in the fridge that definitely weren't there earlier, Frederick has to come clean. Cassie's sexy new roommate is a vampire. And he has a proposition for her.

## ENCHANTED TO MEET YOU—MEG CABOT

**BOOK #1 \$22.99 TRADE P/BACK**

TOP PICK

In her teenage years, lovelorn Jessica Gold cast a spell that went disastrously wrong, and brought her all the wrong kind of attention--as well as a lifetime ban from the World Council of Witches. So no one is more surprised than Jess when, fifteen years later, tall, handsome WCW member Derrick Winters shows up in her quaint little village of West Harbor and claims that Jess is the

Chosen One. Not chosen by West Harbor's snobby elite to style them for the town's tricentennial ball--though Jess owns the chicest clothing boutique in town. And not chosen finally to be on the WCW, either--not that Jess would have said yes, anyway, since she's done with any organization that tries to dictate what makes a "true" witch. No, Jess has been chosen to help save West Harbor itself. But just when Jess is beginning to think that she and Derrick might have a certain magic of their own--and not of the supernatural variety--Jess learns he may not be who she thought he was. And suddenly Jess finds herself having to make another kind of choice: trust Derrick and work with him to combat the sinister force battling to bring down West Harbor, or use her gift as she always has: to keep herself, and her heart, safe.

The attention of the fated mates is scattered and weighed down with bereavement and heartbreak as some leave Wodell to go to Airen, Mar-el and Firenze. But they must amass their powers. The Beast is rising.

## THE WITCH IS BACK – SOPHIE H MORGAN

**BOOK #1 \$22.99 TRADE P/BACK**

There's nothing wrong with being a wallflower. Not to Emmaline Bluewater, anyway. Emma may have been born into witch society, but her days of trying to fit in where she doesn't belong are over--they ended seven years ago, when the man she'd hoped to marry left town without a word. She's much happier now, living a delightfully mundane human life in Chicago and running her bar, Toil and Trouble. Until Bastian Truenote walks through the door and announces that he wants her back. Bastian had his reasons for leaving--even if he can't tell Emma what they are. Now, to win Emma's heart, he's got to face down an adorably goofy dog familiar, a best friend who's all too eager to hit him with a carefully aimed hex, and a woman who's far from the meek witch he remembers. Magical contracts aren't easily broken, but as far as Emma's concerned, not even a marriage of convenience will have her falling under Bastian's spell again.

## IN CHARMS WAY – LANA HARPER

**BOOK #4 \$22.99 TRADE P/BACK**

Start with Paybacks A Witch. Six months after having been hit by a power surge that nearly obliterated her memory, Delilah Harlow is still picking up the pieces. Her once diamond-sharp mind has become shaky and unreliable, and bristly, self-sufficient Delilah is forced to rely on friends, family, and her raven familiar for help.

In an effort to reclaim her wits and former independence, she casts a dangerous blood spell meant to harness power with healing capacities. While the spell does restore clarity, it also unexpectedly turns Delilah into an irresistible beacon for the kind of malevolent supernatural creatures that have never before ventured into Thistle Grove. One night--just as things are about to go terribly sideways with a rogue succubus--a mysterious stranger appears in the nick of time to save Delilah's soul. Gorgeous, sultry, and as dangerous as the knives she carries, Catriona Quinn is a hunter of monsters-and half-human, half-fae herself, she is the kind of sly and morally gray creature Delilah would normally find horrifying. Though Delilah balks at the idea of a partnership, she has no choice but to roll the dice on their collaboration. As the two delve deeper into the power that underlies Thistle Grove, they uncover not only the town's hidden history but also a risky attraction that could upend Delilah's entire life.

## ACE OF SHADES – DEBORAH WILDE

**BOOK #7 \$35.00 TRADE P/BACK**

Start with Throwing Shade. Gehenna isn't on Google Maps and there's no Angel Annihilation for Dummies. To Miriam Feldman, list lover extraordinaire, this is an irritating oversight. It's fine. She's got this mission under control. Sure, her instructions are vague, and her team is trigger-happy, but she's got plenty of motivation to carry them to victory. Vengeance counts, right? Plus, if ridding the world of celestial menaces doesn't top up Miri's karmic bank, then stopping a vampire contagion will definitely earn her some good will. Unless it gets her killed. That's a possibility. One which she refuses to worry about since she's got her new relationship with a sexy wolf shifter to enjoy. And honestly, his family dysfunction is making hers look pretty damn insignificant. How's that for positive thinking? She's going to nail this. Happily-ever-after, here she comes.

## WITCHES GET STUFF DONE – MOLLY HARPER

The last person she expects to be drawn to is the town's frustrating and attractive head librarian. Edison Held knows almost everything there is to know about Starfall Point, but Shaddow House was always off-limits, thanks to its owner. If he can convince the new owner, Riley, to let him take a peek inside, there's so much he could learn. But as he gets closer to Riley, he's fascinated by her wit and fiery spirit. Edison will do whatever he can to help Riley keep her family legacy alive, especially if it means spending more time with the captivating new witch in town.
